Community Life

Celebrating history

Last week Ken and Vernice Black received plaques honoring them for having a Kentucky Historic Farm, which is a farm that's been in the same family for at least 100 years. Ken's ancestors, Charlie and Hattie Hendren, purchased the Sayresville Road farm in 1926. Ken's goal is to leave the farm to the next generation in better condition than when it was acquired.

Kentucky LIHEAP Fall Subsidy begins November 9

Community Action Council announced today that all 23 Community Action Agencies across Kentucky are now accepting applications on a first-come, first-served basis for the Low Income Home Energy Assistance Program (LIHEAP) Fall Subsidy. Applications open today, Monday, November 9, and will be accepted through December 18, 2026, or until funding is depleted.

Interested households should contact the Community Action Agency serving their county to determine eligibility and apply. To qualify, households must meet program eligibility requirements, including having a household income at or below 150 percent of the Federal Poverty Guidelines.

All applicants will be required to provide the following documentation at the time of application:

• Proof of Social Security Number of Permanent Residence Card (Green Card) for each member of the household.

• Proof of household's (all members) income from the prior month.

• Most current heating bill, or statement from landlord if heating expenses are included in rent, or statement from the utility company if the household participates in a Pre-Pay Electric Program.

• The account number and name on the account for main heating fuel sources and electric bill.

LIHEAP Fall Subsidy does not require a disconnect notice, a past due bill, or eviction notice, and may be applied as a credit to the household's account. Once an application is approved, a one-time benefit is paid directly to the utility vendor. Assistance received during previous LIHEAP components does not affect household eligibility.

For more information about LIHEAP, and to obtain the contact information for Community Action Agencies by county, go online to www.commaction.org/LIHEAPKY or call 1-800-244-2275.

•The Gallatin County Educational Excellence Foundation is offering 3 scholarships to cover the cost of 1 dual credit class for the Spring Semester.

The application is posted on Google Classroom for Juniors and Seniors to apply. Applications are due December 1st.

FRC Christmas Assistance

•As you may know, the FRC (Family Resource Center) and YSC (Youth Service Center) in Gallatin County handles almost all the Christmas Assistance needs for Gallatin County.

Our deadline for applications has passed. And we will not be accepting any further applications this year.

We have worked tirelessly to assign families/students to sponsors. We have many families/children that still need to be adopted.

If you are interested in adopting a child/children or a family please reach out.

If you would rather take an angel off the tree, those angels will hopefully be ready by the end of next week.

I just wanted to put this opportunity out there in case anyone wanted to get their list as quickly as possible (and to be transparent, it saves me from filling out an angel for the tree).

If you know of anyone who would like to bless a child or a family this Christmas, please send them our way as well.

Thank you!

GCHS Academic Support Group Sessions

•Sessions will be held on Tuesdays and Wednesdays from 3:15 - 4:30 p.m. beginning October 13 and run through April.

Our goal is to provide "in time" assitance to students so they may earn every credit and graduate on time.

If a student would like to attend for extra help, please contact:

debbie.boaz@gallatin.kyschools.us or call 859-567-7640

Updated Attendance Policy

•Attention Gallatin County families, our District has updated our attendance policy.

When a student is absent, parent notes and/or doctor's notes must be turned in within 10 days. Excuse notes will not be accepted after 10 days.

Please make sure to provide documentation of the absences within the required 10 days.

Senior Center Schedule

•The Senior Center serves breakfast and lunch.

It provides activities only, and is not medically staffed.

Many games are available.

Lunch entrees may be beef or turkey, Salisbury steak, beef patties, chili, pork chops, country ham meatloaf, chicken, etc. Activities include Bible study, crafts, and health programs.

Weather Trivia

How many cloud droplets does it take to form one raindrop? ?

Answer: About 1,000,000.

Weather History

Nov. 11, 1955 - An early arctic outbreak set many November temperature records across Oregon and Washington. The severe cold damaged shrubs and fruit trees. Readings plunged to near zero in western Washington and hit 19 degrees below zero in the eastern part of the state.
