Horoscope

**FOR MONDAY**  
 ARIES (March 21-April 19) Today you might be tempted to buy beautiful things for yourself and loved ones. If this is the case, do be aware of the restrictions of the Moon Alert. Most of this day is a poor day to shop for anything other than food and gas. Tonight: Financial plans.  
 TAURUS (April 20-May 20) You're looking at a powerful week ahead, because the Sun, lucky Jupiter and your ruler Venus are all in your sign. And after the Moon Alert is over, the Moon moves into your sign as well! Oh yes, it's all about you! After the Moon is in your sign, shop for wardrobe goodies! Tonight: Practical ideas.  
 GEMINI (May 21-June 20) This is a popular day! You will enjoy schmoozing with friends and members of groups. However, don't volunteer for anything or agree to anything important -- just enjoy the company of others and get information. See the Moon Alert. Tonight: Research.  
 CANCER (June 21-July 22) Be aware that most of this day is a Moon Alert. Furthermore, this is a kind of day where you might be tempted to volunteer for something or agree to do something important. Not good! Wait until the Moon Alert is over before making commitments. Tonight: Get advice.  
 LEO (July 23-Aug. 22) This is an imaginative, freewheeling, playful day! Enjoy discussing lofty topics with friends or people from other cultures. Learn something new. Enjoy exploring more of your world; however, commit to nothing. Wait until the Moon Alert is over to do business. Tonight: Accept help.  
 VIRGO (Aug. 23-Sept. 22) Be careful, because most of this day is a Moon Alert, and this particular Moon Alert is taking place in one of your Money Houses. Postpone important decisions about shared property, inheritances, taxes and debt. Do your homework, but sign nothing until it's over. Tonight: Study.  
 LIBRA (Sept. 23-Oct. 22) Be cooperative with others today. A friendly approach will serve you best. Don't be demanding during the Moon Alert, even if you feel this way. After the alert is over, then it's all systems go. Until then, tread carefully and just get information. Tonight: Check your finances.  
 SCORPIO (Oct. 23-Nov. 21) You're gung-ho to attack this week with energy and focus. Unfortunately, most of this day is a Moon Alert, which means things will be a bit fuzzy but fun-loving. Postpone important decisions and shopping until after the Moon Alert is over. Tonight: Serious discussions.  
 SAGITTARIUS (Nov. 22-Dec. 21) This is a wonderful day for artists and anyone doing creative projects. You will find it easy to think outside the box. It's also a marvelous day to socialize. Enjoy fun outings as well as playful activities with kids. Be aware of the Moon Alert. Tonight: Work.  
 CAPRICORN (Dec. 22-Jan. 19) You will begin this week by putting around home and taking it easy. Family discussions might take place. If so, be aware of the Moon Alert and avoid agreeing to anything important or volunteering for anything until after the Moon Alert is over. Tonight: Practice.  
 AQUARIUS (Jan. 20-Feb. 18) Be careful today. It's a busy, fast-paced time. You might take short trips and take care of errands and appointments. Check the Moon Alert above so you know when to avoid important decisions or shopping for anything other than food and gas. Be smart. Tonight: Family advice.  
 PISCES (Feb. 19-March 20) It's important to know that today the Moon Alert is taking place in one of your Money Houses, which means don't shop for anything other than food or gas during that time. Postpone important financial decisions as well. After it's over, all is well. Tonight: Learn.

Horoscope

**FOR TUESDAY**  
 ARIES (March 21-April 19) Today's New Moon bodes well for future economics and financial advantages for you. (Would I kid an Aries?) Think of new ways that you might boost your income. Can you get a better paying job? Or perhaps can you see ways to earn money on the side? Exciting purchases for something beautiful also might tempt you. Tonight: Maintain your belongings.  
 TAURUS (April 20-May 20) Today's New Moon (which is the only one all year in your sign) promises wonderful romantic relations with others. You might discover new love. Or perhaps your existing relationships will become more affectionate and personally rewarding. What can you do to help make this happen? Tonight: You win!  
 GEMINI (May 21-June 20) Today the New Moon is taking place in a hidden part of your chart, which means it's perhaps the best day of the year for you to think about how to deal with little self-defeating behavior patterns that you have, or at least, get them in hand. (We all have these!) Tonight: Solitude.  
 CANCER (June 21-July 22) The New Moon today gives you a wonderful opportunity to enhance and improve your friendships with others, as well as improve your relations with members of groups and organizations. Very possibly, a platonic friendship will turn romantic. In either case, all these relations will become more mutually beneficial. Tonight: Friendships.  
 LEO (July 23-Aug. 22) You will make a fabulous impression on others today, especially people in authority -- parents, bosses, teachers, VIPs and the police. In particular, some of you will strike up a cozy friendship with someone, perhaps blurring the lines between professionalism and romance. Hmmm. Tonight: You're admired.  
 VIRGO (Aug. 23-Sept. 22) Today's New Moon is a little hint that you have many opportunities to travel and do things that will expand your world this year. Of course, you have to cooperate. How can you improve your chances to travel? How can you broaden your world through learning and study? Tonight: Explore!  
 LIBRA (Sept. 23-Oct. 22) Today is perhaps the best day of the year for you to think about how to improve your relations with shared property and how you are handling inheritances and anything to do with insurance issues, taxes and debt. Ideas? Anything? Bueller? Tonight: Check your finances.  
 SCORPIO (Oct. 23-Nov. 21) Today the only New Moon opposite your sign all year is taking place. This means it's the best opportunity for you to think about how to improve your closest relationships with friends, partners and spouses. Opportunities to enrich these relationships abound! Tonight: Cooperate.  
 SAGITTARIUS (Nov. 22-Dec. 21) This is a lovely day to explore opportunities to improve your relations with people you know who are related to your job, your health or a pet. Not only can you improve these relationships, you might discover new romance. At least warm affection. Tonight: Work.  
 CAPRICORN (Dec. 22-Jan. 19) Oo la la! Today's New Moon is a chance for you to explore all kinds of romantic opportunities. You might even meet the person of your dreams. Meanwhile, relations with your kids will be warm and friendly. Social outings and socialities to express your creativity will please you. Tonight: Socialize!  
 AQUARIUS (Jan. 20-Feb. 18) A romantic introduction to a family member might occur for many of you today. Meanwhile, all of you will see ways to improve your relations with family members. You will see how you can express your affection more easily and appreciate your family dynamic. Tonight: Coocon.  
 PISCES (Feb. 19-March 20) Be friendly to others today. You have marvelous opportunities to improve your daily contacts with everyone! Many of you will discover new love or an exciting flirtation. Or you might commit to a new level of friendship or to becoming a roommate. Tonight: Schmooze.

 The bidding:  
 East South West North  
 1♥ 5♣ Dble  
 Opening lead — four of hearts.

This deal occurred in the 1993 Cavendish Invitational Pairs. South was Ron Gerard, who, with Mike Kamil, finished second in the event. Gerard wasted no time bidding five clubs on his nine-card suit after East had opened with one heart. West, with three potential defensive tricks in his own hand, confidently doubled, no doubt expecting to set the contract at least two or three tricks. As the cards lie, it might appear that South must lose two diamonds and a club for down one. But Gerard found the way to get home safely. After ruffing the opening heart lead, he cashed the ace of clubs and conceded a club to West's king. Gerard ruffed the heart return and led a spade to the queen. When this held, he ruffed dummy's last heart and cashed three more trumps to produce this position:

North led his last trump, forcing West to discard the diamond three. Declarer then pitched dummy's nine of spades, and East did his best to try to deceive him by discarding the diamond jack, hoping Gerard would next lead the diamond king in an attempt to fell the ace and queen together. But Gerard read the position perfectly and led the diamond ten, felling West's ace. The spade ace and diamond king then scored the last two tricks, and the doubled game was home.

Tomorrow: The theory of gain vs. loss.

 The bidding:

 Opening lead — three of clubs.

Lloyd's of London specializes in insuring against risks its clients are unwilling to run. A suitable premium is paid by the client to protect against the occurrence of an unlikely but potential threat. If the threat becomes reality, Lloyd's pays for the loss. A bridge player must often assume the same role as Lloyd's. In certain situations, he in effect becomes an actuary, computing the possibility of gain against the possibility of loss and doing all he can to try and protect against a potentially large loss. Consider this deal where South wins the opening club lead with the seven, continues with the queen, which also wins, and then cashes the A-K-Q of diamonds, hoping for a 3-3 division. But after West discards a low heart on the third diamond, South, with only eight certain tricks, must now try to find a ninth. He can lead a spade to the jack, and if it wins, he is home. Or he can lead a heart to the king and hope that East has the ace. In the actual deal, both of these approaches fail, if attempted. But there is a third approach that guarantees the contract. Declarer cashes dummy's ace of clubs at trick six, leads a spade to the ace and exits with the jack of clubs. This allows West to cash the K-9 of clubs as South discards a heart. At this point everyone is down to four cards, with South holding the K-J of spades and K-5 of hearts. West has the Q-9 of spades and A-7 of hearts and is forced to lead from one of those combinations. Which ever he chooses, South acquires his ninth trick. The third approach would be happily underwritten by Lloyd's.

Tomorrow: A very costly blunder.
