embrace this chance to deepen their civic knowledge, hone their public speaking skills, and truly discover the power of their own voice. While this is Winchester/ Clark Counties' second effort to foster this exciting educational event we hope it is a huge success."

To encourage local essays, the Chamber of Commerce put together a Clark County award. Clark County essays will be entered into a random drawing for a local cash prize. Any local student who enters the national contest should send the local Chamber a copy of the essay to be entered.

The Winchester Clark County Chamber of Commerce is proud to support this initiative as another community activity that benefits everyone and involves Chamber members.
