Don't ever count out the Glasgow High School Scottie basketball team. Coach Brandon Stockton and the Scotties just kept plugging during the regular season (5-22) and that doggedness paid off in the 15th District Tournament against the Warren East Raiders.

Despite trailing for most of the 2nd half, Glasgow never quit and found a way to extend the game into overtime and came away with a 74-68 victory over Warren East. The Scotties had several heroes step up and put on a superman cape while overcoming a very interesting statistic.

GHS shot 13 of 18

from the free throw line. WEHS shot 32 of 37 on their trips to the charity stripe, nearly doubling Glasgow's trips to the line.

That was the second time this season the Scotties beat the Raiders in overtime. The first time they played, GHS won

2025-2026 Kentucky fishing and hunting licenses available now

Licenses and permits are available now to fish, hunt and trap in Kentucky in the coming license year,. With some of the finest outdoor opportunities available anywhere, Kentucky's fields, woods and waterways provide adventure for avid outdoors enthusiasts and newcomers alike.

The 2025-2026 license runs through Feb. 28 of next year. License and permit fees for Kentucky residents are unchanged from the 2024-2025 license year, which lasts until Friday, and most non-resident fees will remain the same.

In Kentucky, a license covers basic hunting or fishing for many species, whereas additional state permits are required when pursuing specific other species, such as fishing for trout or hunting for migratory birds, deer, wild turkey or black bear. Sportsmen's-type licenses include multiple permits as well as basic hunting and fishing privileges.

For the 2025-2026 license year, prices for four non-resident options reflect a moderate fee increase, including:

Annual Hunting License (nonresident) - \$160

Spring Turkey Permit (non-resident) - \$110

Fall Turkey Permit (non-resident) - \$110

Deer Permit (non-resident) - \$235

Introduced last year, the resident Senior Lifetime Sportsman's License remains priced at \$180. It includes hunting and

fishing licenses plus permits for trout, deer, spring and fall turkey, migratory game birds and waterfowl. It is available to Kentucky residents aged 65 and older, who can purchase it once and then simply carry an electronic copy or reprint each year to display the current license year.

Seniors in Kentucky still have the option to purchase an annual Senior Sportsman's License that provides the same licenses and permits for the license year for just \$12. Resident anglers have the option to purchase an annual Fishing License for \$23 or a 3-year Fishing License for added convenience and value at just \$55.

Licenses and permits are sold online through Kentucky Fish and Wildlife's website License Sales portal, searchable off the homepage at fw.ky.gov. Licenses and permits also are sold at agent locations across the state. A list of license agents by county is available on the department's website.

The department receives its primary funding through revenue raised by the sale of hunting and fishing licenses, as well as federal excise taxes generated by the sale of recreational firearms and ammunition, archery gear and fishing equipment.

Springtime provides many opportunities to take someone new into the field. Youth turkey weekend is April 5-6, while the main turkey season opens a week later, on April 12. The Youth Sportsman's License, available to residents ages 12-15, is

a great value at \$30 and covers turkey hunting and deer hunting.

The warmer weather also provides for fantastic fishing across the state. Learn about those opportunities in our Fishing and Boating Guide.

Another great resource is the Fish Boat KY app. Available free from iTunes and Google Play, the app helps anglers find waterbodies, boat ramps and other water access from the palm of their hand. Users can also search by species of fish, store copies of their licenses, and much more using the smartphone app.

To learn all the basics on hunting and fishing, the Kentucky Fish and Wildlife website (fw.ky.gov) has many resources for individuals new to the sports. For in-person classes, search Hook and Cook or Field to Fork on the site. Classes are offered across the state to provide learning opportunities for all ages.

Anglers from throughout the central United States come to Kentucky to fish its waters, including the state's renowned trout fishery in the Cumberland River and the crappie fishery in Kentucky and Barkley lakes. Kentucky is a top destination nationally for deer hunting and maintains the largest elk herd east of the Rocky Mountains. The application period to apply for a 2025 elk hunt runs through April 30.

For more information visit the department website at fw.ky.gov or call 1-800-858-1549, 8 a.m. - 4:30 p.m. (ET) weekdays.

NEED FUEL? WE DELIVER!
