FFA  
Column  
MAGGIE MCGLONE

Last week was a big one for the 61st district. Both of our basketball teams had an incredible run in the District Tournament. The senior girls played their final game, while the boys advanced to the region tournament – a moment they’ll always remember. This is my first year attending the tournament as a FCHS cheerleader, and the perspective is definitely different. Normally, I’m with my friends, standing in the chaotic student section. While

the sidelines may be just as chaotic, I wouldn’t trade it for anything. I was hesitant to try out at the beginning of the year, especially since being a cheerleader wasn’t something I had done before, and everyone was telling me not to. But now, I’m so grateful for the decision I made. The experiences have been unforgettable and they’re are still many to go, as my team and I prepare for Region In Game Competition.

“SUPPORTERS OF THE LIBRARY” MEMBERSHIP DRIVE

The Fleming County Library provides many services to our community. Whether it is using the available computers, checking out DVDs, participating in various programs such as Book Club, adult and children’s art activities, Nature Club, Lap Sit or the Lego Club, or just going in to check out a book; our library has something for everyone.

Now through April, you can show your support for our local library by joining our “Supporters of the Library” group, formally known as “Friends of the Library”. “The Supporters” is an informal group of volunteers who conduct fund raising events such as the popular book sale each year. Money from the sale, as well as membership dues, is used for non-budgeted cultural presentations and/or additions to equipment, as well as upkeep on the li-

brary garden. In the past we have donated funds for various children’s activities, the Story Walk at the City Reservoir, and the new pavilion. Recently the Supporters gave money for teen programming, bookmobile programming, adult special programming as well money to purchase more items for the “Library of Things”. We also appropriated money for archival boxes in which to store some of the library’s older and more rare books. This past year we sponsored several of the monthly give away baskets.

This organization encourages all citizens of Fleming County to obtain and use a library card which is their key to “free services, programs, and materials to help them meet their personal, educational, and professional needs” as stated in Fleming County Public Library’s mission

statement.

Membership is open to adults and children alike. Please consider this invitation to join us in a comradery of library association. Dues are: Individuals-- \$5.00, Family--\$10.00, and Patron--\$25.00.

This year the Supporters’ Book Sale will be held on Friday, April 25th from 5:00-7:00 and on Saturday, April 26th from 9:00-1:00. The Book Sale on Friday is offered to “Supporter members” only. If you have not joined up by that date, you may sign up that

night. It is a great way to support the library and get some really good book bargains.

We also encourage supporters to attend the various programs scheduled throughout the year for all ages. Where else can you spend an enjoyable afternoon or evening in a comfortable setting for free!

So come in to the library and fill out a membership form today! This is just one small way that you can show your support for our Fleming County Library!
