Encouragement That Takes You Higher

By: Sherry Brown

Hello Conway

Here I go with more scheduled trips filled with days of flying domestically was my assignments out of my Detroit (DTW) base and that was the sweetness of my flight attendant career and I loved it so with the international waters and foreign countries below my aircrafts as well. Whether domestic or international trips I welcomed them all with excitement and my God given assignments were always filled with the wonderment of heaven and the beauty of His accomplishments within my spiritual being. I must say I’ve had thousands upon thousands of glorious assignments with souls globally. I loved impacting the hearts of my customers one flight at a time. I was born to fly and I loved it dearly! It was so exciting to experience every

new day at the Airline as I never knew the details of what my days would fully encompass but I knew God did and I just wanted to always be led of the Holy Spirit whether on the ground or in the air. Many years ago, I was between flights in Minneapolis-Saint Paul International Airport where I went to a McDonalds restaurant and as I turned to my right there was standing a famous country singer by the name Conway Twitty so I said excitedly, "Hello Conway" we shared friendly greetings as we were waiting side by side and at the end of our chatting I told him that Jesus Christ loved him and he smiled so big and thanked me. He was hap-

py to hear those words. I could only pray and trust God for shining more hope upon his life as the departure of his Spirit out of the earth was not far down the road. That day I never knew if I’d ever see him again in this life and I had to fully trust God to take the inspirational words and minister to his heart for the good gospel sake as I prayed God’s sovereign will for Mr. Twitty.

Psalm 28:7 - The Lord is my strength and my shield; my heart trusted in him, and I am helped: therefore my heart greatly rejoiceth; and with my song will I praise him.

People everywhere need inspirational encouragement that goes

beyond this earthly (natural realm).

The Spirit realm is more real than me writing this column to you. God is a Spirit and he is Supernatural and he sets up things in the earth that we cannot fully explain as he is supreme over all. The beauty in the reality of God is the majestic wonders of his Son caring about and loving us in spite of all our shortcomings and failures. See John 4:24

Not many months after my visit with Conway Twitty was announced on June 5,1993 that he passed away and I was so thankful that he was one of my many divine assignments that I hold dear even unto this very day. Being in the right place at the right time is truly divine intervention.

Our Supernatural Creator does glorious things in the earth every single day! We must look for the glory of his Kingdom happenings because they are all around us. Amen.

James 4:14 “Whereas ye know not what shall be on the morrow. For what is your life? It is even a vapour, that appeareth for a little time, and then vanisheth away.”

One single day we are alive and one single day we are dead. It’s something we all need to think about and not deny it, or refuse to ponder our eternal destination.

Wisdom is powerful. Foolishness is folly. Selah.
