APRIL IS CHILD ABUSE PREVENTION MONTH 2025

Child Abuse Prevention Month has been observed each April since its first presidential proclamation in 1983. Since that time, millions of Americans have participated in exciting public awareness campaigns. Individuals, organizations and communities across the country plant pinwheels, organize trainings, host fundraisers and hold family fun events in support of celebrating childhood and raising awareness that all children deserve to grow up in a safe, healthy and nurturing environment. Please take a look at what our county is doing to spread the word and help to make a difference in the lives of children!
