Fleming County Hospital Publishes 2024 Community Benefit Report

REPORT OUTLINES HOSPITAL’S CONTINUED IMPACT ON HEALTH AND ECONOMIC VITALITY OF THE BUFFALO TRACE REGION

Fleming County Hospital today published its community benefit report for the 2024 calendar year. This annual report outlines the various ways the hospital is working to support the health and economic vitality of the Buffalo Trace Region as part of its mission of making communities healthier®. “For more than 60 years, Fleming County Hospital has been proud to call Fleming County our home, and as a leader in our community, we are committed to providing high-quality care close to home, investing in our region’s overall well-being and making a positive impact on those we serve,” said Kathy Vancampen, Chief Executive Officer (CEO) of Fleming County Hospital. “This year’s report underscores our ongoing commitment to providing the highest quality care

possible – both inside and outside our hospital walls.” Fleming County Hospital’s 2024 community benefit report highlights its continued efforts to meet the growing healthcare needs of its community through welcoming new providers, adding and expanding service lines and continually investing in its facilities and healthcare technology. Additionally, Fleming County Hospital made a donation of more than \$2.3 million in health services to those in need, demonstrating its continuous commitment to ensuring everyone has

access to care, regardless of their ability to pay. Fleming County Hospital is also devoted to creating environments where providers want to practice and employees want to work. In 2024, the hospital distributed more than \$7,845,500 in salaries, wages and benefits for its approximately 95 employees, while contributing more than \$12,000 in professional development and tuition assistance so all its employees can have the opportunity to learn, grow and improve the care they provide their patients. Last year, the organization paid \$1,396,980 in local and state taxes, while also continuing its support of local activities and organizations committed to serving the region, including Fleming County High School, Hospice of Hope, Community Trust, Fleming County Emergency Medical Services, Fleming County Sheriff’s Department, Flemingsburg Recreational Park, and Fleming County 4H Club. “We feel fortunate to call Fleming County

our home, and we are incredibly grateful for the continued support of all those who entrust us with their care. TO THE ROWAN COUNTY ATTORNEY & FISCAL COURT MAGISTRATES: HOW IS STONEWALLING WORKING OUT FOR YOU ALL IN THE POLITICS AND PAYBACK MATTER?

Politics and Payback ads ARE UNCHALLENGED AS TRUE AND ACCURATE.

NOT JUST ONE, NOT TWO, BUT THREE HIGHLY RESPECTED, TRUSTED, LEXINGTON ATTORNEYS, TWO OF THEM MANAGING PARTNERS OF MAJOR KENTUCKY LAW FIRMS, ONE OF THEM AN IMPORTANT FAYETTE COUNTY OFFICIAL, THEN AND NOW, NONE OF THE THREE WITH ANY “SKIN IN THE GAME” OR “AX TO GRIND”, ETC., ALL THREE CONFIRMED THAT ROWAN COUNTY ATTORNEY WATKINS STATED “POLITICS AND PAYBACK”. YET HE (WATKINS) CONTINUED TO DENY THE STATEMENT, AND SIGNED THAT AFFIDAVIT.

BIG THANK YOU TO THE READERS PROVIDING INPUT RECENTLY, YOUR COMMENTS ARE MUCH APPRECIATED STILL, BAD NEWS FOR THE BAD GUYS: YOU CHEATED, YOU HAVEN’T REPENTED, AND THERE WILL BE NO RELIEF FROM US UNTIL SOMEONE MAKES IT RIGHT.

HISTORY:

Year 2000 +/- Rowan County Fiscal Court gifted front 10 feet of driveway and lawn of every property in the subdivision by developer, in exchange for county snow removal, etc.

Year 2014 Full asking price cash payment received, locked in vault, from buyer with one contingency (electric gate across driveway, and full perimeter luxury wrought iron fence). Huge sign and other assistance provided “Doc” Blevins in his campaign for Judge-Executive. Variance requested from, and denied by, Rowan County Fiscal Court, to build gate and fence. Received “Doc” Blevins’ promise to make motion to Fiscal Court to grant variance, if elected. Blevins elected Judge-Executive, and keeps his promise, making motion to grant the variance. Members of the Fiscal Court do not even vote on the motion. Buyer’s cash and documents returned to him, as sale has to be cancelled.

Year 2015 & 2016 Suit filed in the United States District Court in Ashland, Kentucky, based on above facts; Rowan County Fiscal Court’s response includes false affidavit, Rowan County Attorney’s denial that he described the reason for the Fiscal Court’s denial of the variance as POLITICS AND PAYBACK.

Rowan County may have won the lawsuit without cheating, but instead chose to use the Watkins affidavit. Now they choose to risk many million\$ of Rowan County Citizens’ money by thinking the Federal Courts will let them off with no penalty for handing a now deceased Federal Judge a false document. The Rowan County Fiscal Court is rolling some huge dice.

The Rowan County Fiscal Court Magistrates had a recent chance to cut their risk, but instead continued to stonewall, and continued to jeopardize their constituent\$.

A local professional person, has astutely pointed out it only requires one reader to step forward and break the case wide open.

When we filed our lawsuit, a Rowan County Elected Official claimed in a front page newspaper article that our suit “had no merit”. Then why was it necessary to file a false affidavit in order TO FOOL JUDGE WILHOIT into dismissing our suit?

Thousands of readers in Rowan County now know of the cheating and false affidavit, and many thousands more know of them in surrounding counties.

Our ads exposing this FRAUD began in the MOREHEAD NEWS not too much later.
