Subject: Help Bring the Joy of Christmas in July to Our Community!

Dear Community Friends,

While December may feel far away, we're bringing the joy and spirit of giving *early* this year with our first **Community Christmas in July Donations!** 🎄🌟

We're reaching out to ask for your help to make this year's Community Christmas a success. Your donation will help us provide gifts and essentials for children and families including gift cards for a holiday meal.

Every dollar makes a difference—nothing is too small or large. Your generosity helps make Community Christmas a beacon of hope and kindness.

Without the help of our giving community, many of our children living in Fleming County might not receive Christmas gifts this holiday season. It is through support, donations and the assistance of numerous volunteers that Community Christmas has provided gifts for needy children for the last twenty-three years. Last December, we were able to serve over 300 underprivileged children with gifts. The collaboration among agencies, churches, civic groups and schools enables everyone to join for one event to ensure equal distribution and avoid duplication of gifts to ensure all needy children are served. We anticipate the number of families who need gifts to be on the rise and additional financial donations are needed this year more than ever due to the current global economy.

If you have any questions, please contact Rebecca McGinnis at 606-776-0707.

If you wish to send a financial contribution, any amount is accepted and no amount is too small to help provide Christmas to a child. Please make checks payable to Fleming County Community Christmas and mail to: **197 Windsor Drive; Flemingsburg, KY 41041**
Attention: Hillary Worrix

Sincerely,

Interagency Council Members
