Williamstown indoor track season continues building

BY LILY FABELA
SPORTS CORRESPONDENT

The Williamstown track team put up strong performances during an indoor meet at Centre College on Saturday.

Starting with the girls results in the 1600 Meter, Cameron Reynolds clocked a personal best time of 5:59.37, placing 10th.

Annabelle Brooks finished 20th with a time of 6:37.12, while Brooklynn Dills followed closely in 21st with a time of 6:38.07.

In the 800 Meter Harper Mann earned a 10th place finish with a time of 2:39.72.

For the 4x800 Meter Relay the team of Bianca Dills, Mann, Cameron, and Annabelle Brooks finished in 5th place with a time of 11:41.04.

For boys, the 800 Meter Aaron Reynolds finished 15th out of 37 runners with a time of 2:20.77.

In the 1600 Meter, William Osborne placed 20th with a time of 5:23.35.

In the Shot Put area Zach Mirones earned 8th place with a throw of 34-5.

Cameron, who set a personal record in the 1600 Meter

Harper Mann speeds by in a blur in her race.

Run, shared her thoughts on the meet.

“I feel very accomplished because it was kind of a stressful and emotional meet, so to know that I PR’d is awesome,” she said.

Cameron’s PR of 5:59.37 puts her in a good position for the next race, with her eyes set on the school record of 5:54.

“I’m ready to go for 5:53,” she said.

Reflecting on the team’s performance, Reynolds said, “We were all doing super good in our 4x800, and I don’t think anybody got disqualified. Everyone was running so fast, and it feels good to have a strong team dynamic.”

Trina Reynolds, the team’s assistant coach, praised the efforts of the athletes.

“Indoor is always a tough part of the track season,” she said. “We think of it kind of like a warm-up because we don’t get to do a whole lot of training because of the weather. So coming out and having PRs today, with everyone rooting for each other, was amazing.”

Looking ahead to the State meet, Trina expressed optimism.

“I think State is gonna be super exciting,” she said. “We’re starting off so strong, and we’re ahead of where we were at the beginning of last season. I’m really excited to see where this team goes.”

The Williamstown track team continues to build momentum as they move forward into the outdoor season, with athletes primed for future success.

Kentucky fishing and hunting licenses are currently available

BY KENTUCKY
DEPARTMENT OF FISH AND
WILDLIFE RESOURCES

Licenses and permits are available now to fish, hunt and trap in Kentucky in the coming license year, beginning March 1. With some of the finest outdoor opportunities available anywhere, Kentucky’s fields, woods and waterways provide adventure for avid outdoors enthusiasts and newcomers alike.

The 2025-2026 license year starts Saturday, March 1, and runs through Feb. 28 of next year. License and permit fees for Kentucky residents are unchanged from the 2024-2025 license year, which lasts until Friday, and most non-resident fees will remain the same.

In Kentucky, a license covers basic hunting or

fishing for many species, whereas additional state permits are required when pursuing specific other species, such as fishing for trout or hunting for migratory birds, deer, wild turkey or black bear. Sportsmen’s-type licenses include multiple permits as well as basic hunting and fishing privileges.

For the 2025-2026 license year, prices for four non-resident options reflect a moderate fee increase, including:

Annual Hunting License (nonresident) — \$160

Spring Turkey Permit (non-resident) — \$110

Fall Turkey Permit (non-resident) — \$110

Deer Permit (non-resident) — \$235

Introduced last year, the resident Senior Lifetime Sportsman’s License remains priced

at \$180. It includes hunting and fishing licenses plus permits for trout, deer, spring and fall turkey, migratory game birds and waterfowl. It is available to Kentucky residents aged 65 and older, who can purchase it once and then simply carry an electronic copy or reprint each year to display the current license year.

Seniors in Kentucky still have the option to purchase an annual Senior Sportsman’s License that provides the same licenses and permits for the license year for just \$12. Resident anglers have the option to purchase an annual Fishing License for

\$23 or a 3-year Fishing License for added convenience and value at just \$55.

Licenses and permits are sold online through Kentucky Fish and Wildlife’s website License Sales portal, searchable off the homepage at fw.ky.gov. Licenses and permits also are sold at agent locations across the state. A list of license agents by county is available on the department’s website.

The department receives its primary funding through revenue raised by the sale of hunting and fishing licenses, as well as federal excise taxes generated by the sale of recreation-

al firearms and ammunition, archery gear and fishing equipment.

Springtime provides many opportunities to take someone new into the field. Youth turkey weekend is April 5-6, while the main turkey season opens a week later, on April 12. The Youth Sportsman’s License, available to residents ages 12-15, is a great value at \$30 and covers turkey hunting and deer hunting.

The warmer weather also provides for fantastic fishing across the state. Learn about those

opportunities in our Fishing and Boating Guide.

Another great resource is the Fish Boat KY app. Available free from iTunes and Google Play, the app helps anglers find waterbodies, boat ramps and other water access from the palm of their hand. Users can also search by species of fish, store copies of their licenses, and much more using the smartphone app.
