REQUEST FOR PROPOSAL PROJECT:

The Marshall County Conservation District is requesting proposals for the following project: Provide engineering design services for the earthen auxiliary spillway repair of East Fork Clark's River Flood Retarding Structure #28A (Willie Holmes Lake) in Marshall County, Kentucky. Professional services to include but not limited to site surveys, geotechnical investigation, laboratory testing, and deliverables (drawings, specifications, cost estimate, construction schedule, quality assurance plan, and as-built drawings). The scope of professional services may also include assistance with and/or preparation of construction bid documents.

Interested consultants are invited to a site-showing scheduled for June 18, 2025, at 8:30 a.m.

Consultants' proposals will be due July 2, 2025, and will be evaluated by the selection committee based on the following criteria:

1. Relative experience of consultant personnel assigned to the project team with major dam projects for NRCS and/or state, local or other federal government agencies. (35 points)

2. Past record of performance on projects similar in type and complexity. (35 points)

3. Project approach and proposed procedures to accomplish the services for the project. (15 points)

4. Available team workload capacity to comply with project schedule. (10 points)

5. Knowledge of the locality and familiarity of the general geographic area. (5 points)
