## Skattebo scores 3 TDs, Dart shines as Giants beat Eagles 34-17

BY STEPHEN WHYNO ASSOCIATED PRESS

EAST RUTHERFORD, N.J. — Cam Skattebo ran for three touchdowns as he and fellow rookie Jaxson Dart shined in prime time, and the New York Giants defeated the Philadelphia Eagles 34-17 on Thursday night to hand the defending Super Bowl champions their second consecutive loss.

Skattebo bulldozed his way into the end zone from 4 yards out and twice from the 1-yard line. Dart scampered in untouched on his 20-yard TD run and connected with Wan'Dale Robinson on a 35-yard catch-and-run to the end zone.

The rookies who each fumbled on Sunday in a turnover-heavy loss at New Orleans responded the way coach Brian Daboll expected. Dart finished 17 of 25 for 195 yards passing and 13 carries for 58 yards after getting a concussion test following a big hit, while Skattebo rushed 19 times for a careerhigh 98 yards.

The Giants (2-4) also sacked Jalen Hurts three times and picked him off. Brian Burns got to the Eagles quarterback twice to tie for the NFL lead in sacks this season with seven.

Hurts overthrew a wideopen DeVonta Smith on a play in the third quarter almost certainly would have been a touchdown if it was on the mark and in the fourth was intercepted by Cor'Dale Flott, who returned it 68 yards. It was Oct. 19. Hurts' first interception of the season and just his sec- Oct. 19.

ond, the other being in the Super Bowl, over his past 15 games.

The Eagles (4-2) ran the tush push four consecutive times in the second quarter, with Hurts scoring on the final try, and he had a shovel-pass TD to Dallas Goedert. But Hurts' miscues combined with the defense faltering contributed to their first back-to-back losses since three in a row to end the 2023 regular season, then eliminate them from the playoffs.

That stretch from Dec. 31, 2023-Jan. 15, 2024 also included the only time New York beat Philadelphia over the NFC East rivals' seven previous meetings. This was just the Giants' fourth victory in their past 18 games against the Eagles.

#### **INJURIES**

Eagles: CB Quinyon Mitchell left in the second quarter with a hamstring injury and did not return ... DT Jalen Carter was inactive with a heel injury that popped up on the practice participation report Wednesday.

Giants: C John Michael Schmitz injured his nose and was concussed on a collision in the third. ... DT D.J. Davidson injured his right knee on Hurts' tush push TD. ... WR Darius Slayton did not play because of a hamstring injury.

# Spoelstra top pick to coach US men's team at 2028 Olympics

**BY TIM REYNOLDS** AP BASKETBALL WRITER

Erik Spoelstra of the Miami Heat has emerged as the choice to become the next coach of the U.S. men's basketball team for the 2027 World Cup in Qatar and 2028 Los Angeles Olympics, two people with knowledge of the situation said Thursday.

Spoelstra and USA Basketball have yet to completely finalize any agreement, said the people, who spoke on condition of anonymity because no public announcement has been scheduled. Such moves typically follow USA Basketball board of director meetings, and one of those is set for later this month.

Spoelstra would be replacing Steve Kerr, who coached the Americans in the last Olympic cycle and led the team to a gold medal at the Paris Games. The U.S. men have won the last five Olympic gold medals, and Spoelstra was on the staff that won in Paris last summer. He told The Associated Press after the gold-medal game in Paris that he "would be honored" if USA Basketball asked him to take over the program.

Spoelstra would also become the first Heat coach to have the distinction of being the Olympic coach.

long after USA Basketball consideration.

finalized an agreement to make Duke coach Kara Lawson the coach of the women's national team for the Olympic cycle through the Los Angeles Games.

Spoelstra will be part of a braintrust that includes men's managing director Grant Hill, national team director Sean Ford and others that assembles the next national team which could feature considerable turnover from the team that won gold in Paris. Kevin Durant, the only four-time gold medalist in men's Olympic basketball history, hasn't ruled out playing one more time in 2028. Stephen Curry indicated that the Paris Games would be his one and only Olympic run, and LeBron James will be 43 when the Los Angeles Games are held.

Miami's Bam Adebayo, Boston's Jayson Tatum, Dallas' Anthony Davis and Phoenix's Devin Booker, all previous gold medalists, would all likely have strong chances to play in 2028 if they'd like to wear the national team jersey again. There also will likely be some first-time selections for the Olympic team, with Orlando's Paolo Banchero, Detroit's Cade Cunningham, Oklahoma City's Chet Holmgren and Dallas rookie Cooper Flagg sure The move comes not to be among those under
