handled matters on their dubs court."

The Lady Jaguars weren't as fortunate, dropping a 6-3 decision after winning two singles matches and one doubles match.

"Their girls were a little too strong for us at the top of the lineup while we were able to win some courts at the bottom of the lineup," Smith said. "Alyssa got us a couple courts in singles

and doubles with Taylor while Brooke also notched a win in singles.

"This season will be a learning experience for both teams as we lost our top five girls from last year and four of our top five boys," he added. "So there's a lot of kids playing in the regular lineup for the first time, and that can take some time adjusting to that new scenario. As the season progresses, we'll hope to improve and still be a main factor come tournament time."

RECORD

Continued from page 1B

"Always good to start the year with a win," South Laurel coach Carly Mink

said. "We were able to have a lot of timely hits and two big home runs from Emmie Rice. I can't say enough about the work she puts in and her desire to get better. This program has had a lot

of great hitters and to be able to tie the home run record as a sophomore says a lot about her skill set. Good win but we build off of it and continue working to improve."
