Wellness, Sen. Rick Girdler – SB 19 allows Kentucky students to quietly reflect, pray, or meditate at the start of each school day by requiring districts to provide dedicated time. It also outlines a framework for local school boards to approve off-campus moral instruction, with transparency and safety requirements. Expanding State

Employee Participation in Deferred Compensation Plans, Sen. Scott Madon-SB 104 authorizes the Kentucky Deferred Compensation Authority to offer Self-Directed Brokerage Accounts. Addressing the Housing Shortage, Sen. Julie Raque Adams – SB 129 allows nonprofit organizations to purchase tax-delinquent properties for redevelopment purposes by mandating certificates of delinquency for properties remaining in a tax delinquency diversion

program beyond the five-year period be made available for purchase by third-party purchasers and permitting diverted tax delinquency purchasers to acquire certificates of delinquency for properties included in such programs during the five-year period. Addressing Statutory Committee Appointments and Information Technology Oversight, Sen. Matt

Nunn - SB 176 updates guidelines for appointments to statutory legislative committees; renames the Investments in Information Technology Improvement and Modernization Projects Oversight Board to the Information Technology Oversight Committee, and requires state agencies to report on information technology systems. Reorganizing the Edu-

cation and Labor Cabinet, Sen. Michael Nemes - SB 178 provides for executive branch reorganizations made within the Education and Labor Cabinet. As always, I can be reached on my mobile at (502) 639-7079 or through

the toll-free message line in Frankfort at 1-800-372-7181. You can also contact me via email at James.Tipton@kylegislature.gov and keep track through the Kentucky legislature's website at legislature.ky.gov.
