### REQUEST FOR BIDS

Wolfe County Fiscal Court is accepting bids for a 911 radio communication console. The bid shall include equipment for 2 positions. The following specifications shall be considered: Proposed equipment shall meet or exceed industry standards for quality and reliability. All materials, parts, assemblies, etc. shall be new. The equipment provider shall be ISO 9000 certified and shall comply with the applicable US Federal Communications Commission (FCC) rules and regulations for telecommunications equipment. Consoles shall be PC-based and the console software application shall support Windows platform, network teaming (NIC Bonding) and support dual display monitors. The following items shall be offered as options for dispatch operation:

- 1. Footswitch; footswitch shall be used by the dispatcher to key the selected radio channel(s).
- 2. Maximum of 8 speakers; speakers shall be in an individual enclosure with separate volume control knob, also have a minimum volume level and be equipped with LEDs indicating power to the device and receive voice activity.
- 3. Desk microphone; desk microphone shall have a physical button that when pressed shall cause the microphone to be live on the selected radio channel(s) and a button to monitor select radio channels
- 4. Headset Jackbox; jackbox shall be compatible with either 4 or 6 wire headsets. Inserting the headset plug into the jackbox shall automatically route the select audio to the headset and mute the select speaker. If an external telephone system is utilized and connected to the console system such that the dispatcher can use one headset to operate both, separate volume knobs shall be provided on the jackbox to control radio volume and telephone volume.

The console system shall have the ability to share information with 3rd party devices (cad, mapping...) supporting the integration of telephone and radio dispatch audio such that the dispatcher can use one headset for operating both an external telephone and the dispatch console. The console shall have a set of Application program interfaces (APIs). The APIs shall include call status, caller ids, Location information, ability to select pages and send them to selected groups, Paging status, PTT ability for any group programmed on the console, emergency acknowledge and clear capability, and console and system health.

Bids shall be submitted to Wolfe County Fiscal Court via mail PO BOX 429, Campton KY 41301. Bid deadline: October 14, 2025 1:00pm. Bids will be publicly opened and reviewed by Wolfe County Fiscal Court October 14, 2025 at 1:30pm. For any additional information please call Wolfe County Judge Executive office 606-668-3040.
