PUBLIC NOTICE

Ordinance #25-10 concerning Solar Farms/Parks, was adopted by the Russell County Fiscal Court on November 10, 2025. A copy of the adopted ordinances with full text is available for public inspection at the office of the County Judge Executive during normal business hours.

Dear Mr. Lynn Lucas and/or family,

We have attempted to contact you about the unpaid bill for the 1962 Chris Craft Constellation HIN# CXD-32-086H named Perseverance in the amount of \$4,386.17. I have included copies of all invoices owed with this correspondence. Some of these invoices are dated back to 5/30/2025. The invoices were sent with the understanding by Mr. Lynn Lucas to us, Woodies Restorations that the work on the vessel was to proceed. We have attempted to contact the family after the death of Mr. Lucas to receive payment on the invoices with a balance due. The last communication was on 8/29/25. Since we have not had any payment or contact with anyone since then, we are seeking a mechanic's lien that could lead to the public sale of the vessel. Charges will continue to incur at the rate of \$300 a month for storage costs. The cost is \$300 a month due to the size of the boat and the amount of space it is taking up. To prevent the additional costs and keep this process from moving on to the next legal step we ask that you pay the amount owed and make arrangement for the boat to be moved. If there is no contact from you then we will continue with the proceedings to complete the mechanic's lien and sale of the boat will follow afterwards. Today's date is 10/6/2025.

Sincerely,

Paul Cundiff
