James "Jimmy" Willis Sellers, 76, of Cynthiana, passed away Wednesday, Jan. 21, 2026, at St. Joseph Hospital in Lexington. He was born July 27, 1949, in Lexington, to the late Robert and Hazel Cochran Sellers. Besides his parents he is preceded in death by a grandson, Blaine Adams; a son-in-law, Scott Martin; two brothers and three sisters.

Jimmy is survived by his loving wife, Linda Sellers; one son, Christopher James Sellers; two daughters, Stacey (Luke) Sellers Adams, Michelle (Edwin) Sellers Taylor; seven grandchildren, Tyler (Gaebrliell) Martin, Taylor Martin, Tarah Martin, Malory Taylor, Aubree Taylor, Brandon (Kacey) Adams, Boston, (Kayla) Adams; and nine great-grandchildren, Rylee, Miller, Vince, Camden, Graylin, Coralee, Brynlynn, Carver, and Scott.

Jimmy loved his family; he enjoyed spending time riding 4-wheelers with the kids and grandkids, hiking and going on cave adventures. He also liked riding motorcycles, going fishing, camping and going to the beach. Jimmy also loved

his cats at home. He will be dearly missed by those who loved him. Funeral services will be held Friday, Jan. 30, 2026, at 11 a.m. at Ware Funeral Home. Michael Wayne Babb, 77, of Cynthiana, passed away Saturday, Jan. 10, 2026, at Harrison Memorial Hospital. He was born in Charleston, West Virginia, on Sept. 8, 1948, to the late John and Madge Knapp Babb.

Mike is survived by his best friend, Amanda Morris; his children, Kristina Babb, Michael (Laurie) Wayne Babb II, Michelle Frazee, Jacob Brewer, Natalie Grace Morris, and Emma Faith Morris; his grandchildren, Elizabeth Jones (Bryan McKenney), Jaime (Wes) Speer, Sylvia Johnson, Jaira Sandusky, Elijah Sandusky, Corrine (Trey) Collett, Camilla Babb, Sari Babb, and four great-grandchildren; family including Zona Kay Babb; and his favorite little sister and brother-in-law, Mildred "Mebi" and Rick Haddox.

Very early in life, Mike, N4PF, found a passion for amateur (HAM) radio. He became an avid operator at the age of twelve and held an Amateur Extra Class license for more than 65 years. He was a founding member of the Harrison County Amateur Radio Club and took great pride in his Morse code fluency. Mike found

Michael Wayne Babb, 77

immense joy in daily communications with fellow Hams around the world and earned many accolades reflecting his decades of dedication to the hobby. Much of Mike's professional career was also spent in radio as on-air personality "Mike Wayne," beginning at WRDS in Charleston, West Virginia, and continuing at WPAR in Parkersburg, West Virginia, and WINN Radio in Louisville, Kentucky. He later transitioned into television, working as an engineer for Channel 32 in Louisville for many years before finishing his career at CMC/CLA (CMWA) as a Network Engineer, where he managed the IT department and infrastructure. After retiring in 2003, Mike embraced his entrepreneurial vision and

founded Network Engineering, Inc. (The Computer Repair Place), providing residential and commercial computer sales and service, as well as network design, installation, and maintenance. He operated offices and retail locations in both Cynthiana and Georgetown and continued serving his clients until his passing.

Throughout his life, Mike held a deep passion for serving others. He quietly supported numerous civic and nonprofit organizations, as well as individuals he encountered who were in need. He spent many years as a Rotary Club member, eventually serving as President of the Cynthiana Rotary Club and later as Assistant Governor for District 6740. The Rotary Club's Four-Way Test was something Mike strongly believed in and often referenced: Is it the truth? Is it fair to all concerned? Will it build goodwill and better friendships? Will it be beneficial to all concerned?

Above all else, Mike knew and loved God. He held that sacred relationship close to his heart, and while he was the first to acknowledge his own

imperfections, he was equally quick to proclaim God's goodness and share his faith with others. Mike was a strong and steady presence in the lives of those he loved, and he will be deeply missed. He was, and always will be, so very loved.

A service will be held at Ware Funeral Home on Saturday, Jan. 31, 2026, at 2 p.m., with visitation held prior to the service from noon until the time of service. Burial will follow in Battle Grove Cemetery. Pallbearers will be as follows: Gary Adams, Ricky Hash, Jacob Brewer, Bryan McKenney, Charles Carson, Elizabeth Jones. As a polio survivor, efforts to eradicate the crippling and often deadly disease were very close to Mike's heart and one he supported financially for many years. In lieu of flowers, please consider a contribution in his memory to Rotary International's Polio Plus Fund, a mission dedicated to providing life-saving vaccines around the world. Respect and trust cannot be gifted, they must be earned

TIM HUMPHRIES, JR.
 RETIRED MINISTER

Everyone seems to want to be trusted and respected but very few seem to understand that trust and respect are earned. You can give kindness as a gift. You can give love as a gift. You can give patience, honor and peace as gifts. But none of us can give trust and none of us can give respect.

If we trust another person, it is because they have earned it. If we respect another person, it is because they have earned it. We can treat people with respect from our position, but that does cause us to respect them.

In the 1920s, Columbia University conducted research in many schools throughout New York City. They wanted to know how many students were honest; how many could be trusted.

Each school agreed for their students to be tested. The test sheets were given out; the pencils were given out; and the students were given thirty minutes to complete the test.

The test was full of questions like, "If you are given too much change at a store, do you bring it to the attention of the clerk?" "If your friend asks if you like her unattractive dress, do you tell a little white lie or do you tell her the truth?" The test had 100 such questions.
