Notice of Proposed Communications Tower Construction

The Kentucky State Police is planning to construct a communications tower in Maysville, KY. Vertical Structures, Inc. has petitioned the Federal Communications Commission for an Antenna Structure Registration utilizing Form 854 with a filing number of A1382505. The tower will be located near the US68 & AA Highway Interchange. Coordinates of the location are 38° 38' 31.8" N, 83° 50' 1.5" W. The project consists of the construction of a 250' tall self-support lattice tower plus appurtenances that will increase the communications coverage of the Kentucky State Police. The tower will be located within a fenced in compound measuring 75'x75'. The tower will be lit with a dual red-white medium intensity lighting system. Interested persons can review this application by going to: www.fcc.gov/asr/applications and entering the Form 854 file number of A1382505. Persons who may have environmental concerns about this structure are able to raise such concerns by filing a Request for Environmental Review with the Federal Communications Commission. The Federal Communications Commission strongly encourages interested parties to file a Request for Environmental Review. Interested persons can file a Request for Environmental Review at www.fcc.gov/asr/environmentalrequest.
