challenging night for the Cougars, as Meguiar gave his thoughts on the performance overall and what the offense needs to do moving forward. "I thought we pitched and played defense pretty well. Strikeouts hurt us: 11 total last night and only three hits. Greenwood was ranked 16th last time I looked so they are a good veteran team. We have to swing at strikes and not get behind in the count so much. Get in attack mode early and get a pitch to hit."

Tonight the Cougars go on the road to take on the Allen County-Scottsville Patriots, with another road game tomorrow night at Edmonson County. Looking ahead, the Cougars are still hoping to find their rhythm as they hit the midpoint of the schedule. With plenty of games ahead, the Cougars will look to be playing their

Whittaker added. The Panthers took advantage of four errors on the day, scoring runs on three of the four, as they kept the Wildcats on their heels.

The Panthers are finding their stride, as Whittaker expressed, "We are 5-4 and have won 3 out of the last 4 games. We have three more games this week and we would love to be 8-4 going into district play next week! We understand, though, it's one game at a time. All in all, I'm super proud of their progress!" Their victory over

Six-Year Road Plan for targeted improvements on T McReynolds Road. The fiscal year 2028 budget also includes \$13 million designated for statewide county road aid.

The 2027 budget further outlines a broad commitment to local infrastructure, including funding for new road construction and pavement resurfacing, sidewalk and multimodal projects, and a statewide \$25 million annual County and City Bridge Improvement Program.

Under these provisions, the county and Russellville, serving as the county seat, are eligible to apply for up to \$100,000 in grant funding for local projects. This specific grant requires a dollar-for-dollar match from the

municipality.

The budget package also provides \$100,000 for the Colonel Benjamin Logan Chapter of the Sons of the American Revolution. These funds will support a celebration and the construction of a monument commemorating the United States' 250th anniversary in 2026.

These appropriations represent a significant portion of the Commonwealth's spending priorities for the upcoming biennium. While HB 900 focuses on one-time projects, HB 501 defines the operational and capital roadmap for Kentucky's transportation network.

"From the major widening of Highway 79 to the \$100,000 for the Sons of the American Revolution

monument, this funding touches every part of what makes Logan County special," Baker said. "We are investing in our future infrastructure while honoring our deep historical roots. We are grateful to the General Assembly for recognizing these needs, and we look forward to the Governor's signature to get these projects moving."

The governor has 10 days, excluding Sundays, to act on the bills. He may sign them into law, allow them to become law without his signature, or exercise his line-item veto authority on specific spending items.
