the year we have had, it just might become reality.

“It’s always a great day to be a North Laurel Jaguar,” he added. “But days like today, make it even more special. A head coach is only as good as the assistants he has beside him or her. Here at North Laurel, we have the best. My respect and gratitude goes out to them. And to my archery parents who are always working behind the scenes, always lending support when needed, for the miles and hours spent driving to and from tournaments and practices, thank you. Thank you for everything you do that goes unnoticed. We could not do what we do without you. God bless you, each and everyone.”

Metcalf led the Lady Jaguars with a fourth place effort, finishing with a score of 286. Annabelle Green (fifth, 282), Sadie Johnson (sixth, 280), Leilani Goldsberry (12th, 270), Kaley Martin (13th, 267), Caylee Bowman (17th, 263), Khloe Robinson (21st, 260), Chloe Mills (24th,

On the boys’ side, Reece Frazier finished second with a score of 289 while Gunner Cory (fifth, 289), Elijah Ivey (sixth, 285), Kaden Helton

(12th, 279), Zachary Reynolds (13th, 278), Konnor Kilburn (14th, 277), Noah Elza (19th, 277), Douglas Estep (27th, 274), Zachary Adams (31st, 271), Joseph Gibson (35th, 268), Matthew Houston (63rd, 254), Luke Hampton (83rd, 247).

“It’s been a great honor to coach the North Laurel High School Archery team,” Ivey said. “I’ve helped coach most of these archers for years. Some for the last eight years, since they were in fourth grade at Bush Elementary. Archery is almost a year-round season. With tryouts beginning in late October to the NASP World Tournament being held in early June every year.

“So basically you only have three months as an offseason,” he added. “You spend that much time with a group of young men and women, you become family.

It’s more than just a coach and archer, it’s a bond that is forged in trials and triumphs. This year has been more triumphant than trials.

“From winning every local tournament we entered, to placing fifth in the State NASP tournament, to now being KHSAA Region 10 Archery champions,” Ivey

continued. “In NASP, boys and girls compete together. In KHSAA, boys and girls are separate teams, unless your school is small enough to compete as a co-ed team. My boys team are now three-time consecutive regional champions. But this year both boys and girls are regional champions.”

Eli Holt and Cam Hinkle each added two hits while Bradyn Evans and Jude McWhorter also drove in runs as North Laurel racked up 12 hits.

“We hit the ball well tonight when we had runners in scoring position, the exact opposite of Saturday, and that was the difference in the game,” North Laurel coach Darren McWhorter said. “We had 12 hits and

Cam Smith and Ashton Napier had home runs.

“We played well defensively and our pitchers threw great,” he added. “Colton Stewart 4.1 innings and Zach Johnston 2.2 innings, both threw very well tonight. It was a great game. Great day to be a Jaguar.”

The Jaguars broke through with a three-run third inning and added what proved to be the game-winning run in the fifth.

Corbin (3-1) stayed within striking distance

throughout the game.

Dallas Merida led the Redhounds with a 3-for-3 performance while Jaden Broughton drove in two runs. Clay Botner, Cam Estep, and Landon Walters each added hits and scored runs as Corbin rallied late with two runs in the seventh before falling just short.

On the mound, Colton Stewart turned in a strong outing for North Laurel, allowing just two earned runs over 4.1 innings while striking out four. Zac John-

ston closed things out to secure the win.

Corbin used multiple arms with Easton Hendrickson striking out five over three innings before the Redhounds turned to the bullpen.

“Obviously, not what we wanted but we got some valuable experience in several places tonight,” Corbin coach Cody Philpot said. “Easton battled well, Webb came in and got us out of a jam. We gave ourselves a chance at the end. We’ll learn from it.”
