CONSTITUTIONAL AMENDMENT 1

Are you in favor of limiting a Governor's ability to grant pardons or commute sentences by prohibiting him or her from granting pardons or commuting sentences during the time period beginning 60 days prior to the general election at which the Governor is elected, and ending when the Governor is sworn in for that term by amending the Constitution of Kentucky as stated below?

It is proposed that Section 77 of the Constitution of Kentucky be amended to read as follows:

(1) The Governor shall have power to:

(a) Remit fines and forfeitures; and

(b) Commute sentences and grant reprieves and pardons, except:

1. In case of impeachment; or

2. For the period beginning sixty days prior to the date of the gubernatorial election and ending the fifth Tuesday succeeding the election.

(2) The Governor shall file with each application therefor a statement of the reasons for his or her decision thereon, which application and statement shall always be open to public inspection.

(3) In cases of treason, the Governor shall have power to grant reprieves until the end of the next session of the General Assembly, in which the power of pardoning shall be vested; but he or she shall have no power to remit the fees of the Clerk, Sheriff, or Commonwealth's Attorney in penal or criminal cases.
