

Merryman House Domestic Crisis Center wins purple ribbon awards

On May 18, 2023, advocates, volunteers, board members and chief executives from across the nation joined together virtually to honor the 2023 Purple Ribbon Award winners in various categories. Merryman House Domestic Crisis Center, the Purchase Region's state-designated domestic violence shelter and resource center, was announced as a winner in three categories: Hotline Employee/Operator of the Year (Balinda Hudson); Annual or Impact Reports of the Year; and Outstanding Fundraising Event or Campaign for the 2022 PaDucky Derby. Additionally, MH-DCC's nomination of Humana Healthy Horizons in Kentucky for "Business Partner of the Year" was also selected as a winner.

The annual awards are sponsored by Theresa's Fund, DomesticShelters.org and experts in the field. These comprehensive awards honor the countless heroes of the domestic violence movement, including advocates, programs, shelters, survivors and members of the community support system.

"Merryman House has been serving survivors of intimate partner violence for more than 40 years, but the organization itself is empty without the people working to fulfill its mission day in and day out," said Kayla Myers, MH-DCC Director of Community Engagement. "These awards highlight the excellence of our staff, the standards our Board and Executive Director set for service provision, and of the importance we place on relationships with our donors and the community."

"We are thrilled to celebrate Balinda's dedication to survivors, the work of our team, and to have Humana Healthy Horizons in Kentucky formally recognized as the outstanding partner they are," Myers added.

You can find MH-DCC's annual report on its website, www.merrymanhouse.org, and information on the 2023 PaDucky Derby at www.duck-race.com/paducah.
