# LEGAL NOTICE

PUBLIC NOTICE

The Lawrenceburg/Anderson County KY Joint Planning Commission will hold a regularly scheduled meeting at 7:00 pm on May 13, 2025 at the Anderson County Judge Executives Office, 137 South Main Street, Lawrenceburg, Kentucky 40342.

The following items will be addressed.

**Final Plat – The Reserve at Highland Pointe (Continued):**

Owners Chris and Melissa Hanks are requesting approval of the final plat of The Reserve at Highland Pointe for the purposes of developing 6 (six) lots in an R-2 (Two-Family Residential) zoning district, at the property located on the east side of Highland Avenue approximately 0.24 Miles south of the intersection of Hwy 62 and Highland Avenue, Lawrenceburg, Kentucky and containing 2.35 acres.

**Docket 22-004 – Smith, Kerry & Lou (Reopened):**

An open meeting regarding: Owners Kerry & Lou Smith previously requested a zone change from A-1 (Agriculture) to I-1 (Light Industry) with a conditional use permit for above ground alcohol storage in excess of 500 gallons for the subject property containing 456.69 acres and located at 1939 Graefenburg Road, Lawrenceburg, KY 40342. The Joint Planning Commission previously voted on May 10, 2022 to approve the Smith zone change to I-1 with the conditional use permit. The Anderson County Circuit Court entered an order affirming the Planning Commission’s authority to grant the zone change with the conditional use permit, but remanded the matter for the Planning Commission to make findings of fact for the conditional use permit. On the date listed above the Commission will re-open the matter for the limited purposes of deliberating and making appropriate findings of fact based on the previously developed existing record. Please note that no additional testimony, evidence, or public comment will be added to the record. After deliberating and developing appropriate findings of fact, the Commission will thereafter take final action on this matter.

Maps and conceptual plans are available for viewing by appointment at the Zoning Administration or on our Facebook webpage, <https://www.facebook.com/LawrenceburgAndCoPlanningZoning>.

Should you have any questions about this notice, please contact the Planning Commission Office, at 502-839-1505.

situations.”

Defensively, Burgin made a diving catch in the fourth inning to preserve the victory. “I am so proud of them,” said Barnes.

The victory came after a tough loss to Spencer County on Tuesday.

Facing a quality Bear starter, Anderson County did get six hits; however, 12 strikeouts is difficult to overcome.

Barnes said his team had some opportunities to score but failed to capitalize.

Sophomore Austin Case led the team with two hits

and the lone RBI.

On the mount, junior Blake Johnson got his first varsity start against a district foe. The veteran coach said his started had a very good three innings but walked five batters. Burgin came in and threw the final three innings and had four strikeouts but also three walks.

Barnes credited Burgin for getting the Bearcats out of a terrible jam in the fourth inning, limiting the damage to just one run.

The walks were very uncharacteristic for the pitching staff but Barnes was very encouraged.

“We competed,” said

Barnes.

The week wrapped up with a visit to Male High School in Louisville.

Against a quality team, you can’t give away free bases and you must capitalize on your opportunities. Anderson County could not make the Bulldogs and fell 8-3.

Junior Charlie Cole got the start and went three innings. Chase Smith closed out the final three innings, giving up just one run.

Offensively, Grubb and Charlie Cole each had two hits. Brent Johnson had two RBI with a single. Burgin drove home the other run with a single.

This week saw the Bearcats visit Southern on Wednesday. The Trojans have clinched the 23rd District title in Louisville. On Friday, Anderson County will entertain Western Hills at 5:45 p.m.

Derby Day will see the Bearcats travel to Franklin County for a first pitch at 11 a.m.

Next week see a big district twinbill against Collins. The Bearcats will be the host team at 5:45 p.m. on Tuesday. The return game on Wednesday at Collins with a first pitch at 5:45 p.m.

NOTICE TO CUSTOMERS OF KENTUCKY UTILITIES COMPANY

RECOVERY BY ENVIRONMENTAL SURCHARGE OF KENTUCKY UTILITIES COMPANY’S 2025 ENVIRONMENTAL COMPLIANCE PLAN

**PLEASE TAKE NOTICE** that in an April 30, 2025 Application, Kentucky Utilities Company (“KU”) is seeking approval by the Kentucky Public Service Commission (“Commission”) in Case No. 2025-00105, pursuant to Kentucky Revised Statute 278.183, of an amended compliance plan (“2025 Plan”). (Collectively, KU’s Application and supporting testimony and exhibits are KU’s “tariff filing.”) If approved, KU will begin recovering capital costs associated with a new pollution control facility in the 2025 Plan under KU’s existing Electric Rate Schedule ECR (also known as the Environmental Surcharge tariff) through an increase in the environmental surcharge on customers’ bills beginning in December 2025.

KU filed an application with the Commission on February 28, 2025, in Case No. 2025-00045 seeking approval to construct a selective catalytic reduction system at the Ghent generating station to reduce nitrogen oxide (NOx) emissions, which are a precursor to ozone. In Case No. 2025-00105, KU is seeking an order approving the 2025 Plan to recover the costs of this new pollution control facility through its Environmental Surcharge tariff. This project will help ensure ongoing compliance with regulations issued under the federal Clean Air Act as amended, including the National Ambient Air Quality Standards for ozone.

The estimated total capital cost of this new pollution control facility is \$152.3 million. Additionally, KU is requesting recovery of future incremental capital and operation and maintenance expenses associated with this new pollution control facility. KU is also asking to recover the cost of publishing this customer notice through the Environmental Surcharge over 12 months and to have Environmental Surcharge recovery of future Commission-approved administrative expenses, including customer notice costs.

Beginning in December 2025, the initial bill impact for KU’s Group 1 customers is estimated to be a 0.01% increase with a maximum increase of 0.81% in 2029. Group 1 includes Rate Schedules Residential Service (RS), Residential Time-of-Day Energy Service (RTODE), Residential Time-of-Day Demand Service (RTODD), Volunteer Fire Department Service (VFD), All Electric School (AES), and all Lighting Rates (i.e., LS, RLS, LE, and TE).

RS and VFD customers using 1,085 kWh/month could expect a monthly increase of \$0.01 up to \$1.09. RTODE customers using 1,043 kWh/month could expect a monthly increase of \$0.01 up to \$1.14. RTODD customers using 987 kWh/month could expect a monthly increase of \$0.02 up to \$1.80. AES customers using 25,620 kWh/month could expect a monthly increase of \$0.30 up to \$24.28. LS and RLS customers could expect a monthly increase of \$0.00 up to \$0.12. LE customers using 2,473 kWh/month could expect a monthly increase of \$0.02 up to \$1.59. TE customers using 147 kWh/month could expect a monthly increase of \$0.00 up to \$0.15.

Beginning in December 2025, the initial bill impact for KU’s Group 2 customers is estimated to be a 0.01% increase with a maximum increase of 1.10% in 2029. Group 2 includes Rate Schedules General Service (GS), General Time-of-Day Energy Service (GTODE), General Time-of-Day Demand Service (GTODD), Power Service (PS), Time-of-Day Secondary Service (TODS), Time-of-Day Primary Service (TODP), Retail Transmission Service (RTS), Fluctuating Load Service (FLS), and Outdoor Sports Lighting Service (OSL).

GS customers using 1,657 kWh/month could expect a monthly increase of \$0.03 up to \$2.41. GTODD customers using 19,652 kWh/month could expect a monthly increase of \$0.31 up to \$25.26. PS-Secondary customers using 30,434 kWh/month could expect a monthly increase of \$0.39 up to \$32.35. PS-Primary customers using 35,028 kWh/month could expect a monthly increase of \$0.45 up to \$36.82. TODS customers using 189,538 kWh/month could expect a monthly increase of \$1.54 up to \$126.82. TODP customers using 1,242,574 kWh/month could expect a monthly increase of \$8.25 up to \$678.42. RTS customers using 7,387,224 kWh/month could expect a monthly increase of \$38.91 up to \$3,199.31. FLS-Transmission customers using 44,229,667 kWh/month could expect a monthly increase of \$237.46 up to \$19,525.53. OSL-Secondary customers using 4,627 kWh/month could expect a monthly increase of \$0.17 up to \$13.87.

The Application described in this Notice is proposed by KU, but the Commission may issue an order resulting in an environmental surcharge for customers other than the environmental surcharge described in this Notice.

Comments regarding KU’s 2025 Plan and Application may be submitted to the Commission through its website or by mail to the Public Service Commission, Post Office Box 615, Frankfort, Kentucky 40602.

Any person may submit a timely written request for intervention to the Public Service Commission, Post Office Box 615, Frankfort, Kentucky 40602, establishing the grounds for the request including the status and interest of the party. If the Commission does not receive a written request for intervention within thirty (30) days of the initial publication of this Notice, the Commission may take final action on the Application.

Any person may examine KU’s tariff filing at the Commission’s offices located at 211 Sower Boulevard, Frankfort, Kentucky, Monday through Friday, 8:00 a.m. to 4:30 p.m., or through the Commission’s website at <http://psc.ky.gov> or KU’s website (<http://www.lge-ku.com>) after KU makes its tariff filing on April 30, 2025. KU has requested a deviation from the requirement to make the tariff filing available at its office at One Quality Street, Lexington, Kentucky 40507. If the Commission denies that request, KU will make the tariff filing available at its office upon request by any person.
