The principal's office was also broken into and ransacked and a quantity of food from another deep freeze and refrigerators was stolen. A lock was sawed off the concession stand, and potato chips and soft drinks were stolen from this building. Mrs. Rollie Wolverton, operator of the school's cafeteria, estimated that loss at between \$1,000 and \$1,500.

Large Increase

The question facing the Lawrenceburg City Council is not whether building a new water plant will necessitate a rate increase. A rate increase is a given, an absolute, an unavoidable. "We're talking about fixing something for the long haul, not putting a bandp-aid on it," Mayor Gary Chilton said.

First Bust

Behind her "baby eyes" lies the ability to do what police officers can't, find hidden narcotics. Under the guidance of Deputy Sheriff Billy White-nack, a three-year veteran of the sheriff's department, Libby, a 14-month-old yellow labrador has learned to put her nose to use, and on July 6 she recorded her first bust.
