LEGISLATIVE UPDATE

A time of renewal, faith, and unity

As we celebrate Easter, we are reminded of the ultimate sacrifice and resurrection of Jesus Christ, a profound act of grace and renewal. This season is a time for reflection, a moment to embrace hope for the future, and a beckoning to uphold our responsibilities to living out the values that strengthen our families and communities.

“See, I am doing a new thing! Now it springs up; do you not perceive it? I am making a way in the wilderness and streams in the wasteland.” – Isaiah 43:19

Easter brings us together, reminding us that despite the challenges we face, new beginnings are present and evident. It is a time to look beyond the struggles of the past and focus on the opportunities that are found ahead of us. Whether in our personal lives, communities, or the work we do to help shape Kentucky’s future this season encourages us to renew our faith, recommit to our purpose, and make steps to a brighter tomorrow.

Here in Kentucky, we are committed to moving forward with a shared vision of a better future—one grounded in the principles of faith, personal responsibility, and respect for our communities. We believe in the strength of the family, the importance of individual liberty, and the need to preserve the values that have long made our state so great. These principles have guided generations of Kentuckians, and it falls on our shoulders to maintain

their importance in our progression forward.

Yet, as we work towards that future, we must also recognize the importance of unity. In the spirit of making a new way, it is critical to remember that while we may not always agree, the strength of our communities, state, and nation comes from our ability to find common ground. We are stronger when we bridge the divide and work together, consider with open minds, and approach disagreements as opportunities to develop understanding rather than viewing them as barriers.

The challenges we face today -whether economic, social, or cultural- require cooperation and a willingness to work towards solutions that serve all Kentuckians. Our greatest challenges can only be met when we come together, as neighbors and fellow citizens, to serve the common societal good. Division may be easy, but it is through unity and great compromises that we will discover the strength to preserve our values, support our families, and build a version of Kentucky that future generations will be proud of in the days to come.

This Easter season, let us remember that faith and unity are the guiding principles towards a future that we all can be proud of. Whether we are discussing the future of Kentucky as a whole or the direction of our own personal pursuits, we must always keep in mind the values that have shaped us. Values that uphold faith, freedom, and responsibility for one’s actions. Jesus’s resurrection teaches us

the power of redemption, the importance of service, and the necessity of standing firm in our faith while extending his love to others. These lessons are just as important in our daily lives as they are in the work we do for our families, communities, and our Commonwealth.

This year, as we rejoice in the promise of Easter, may it fix our gaze forward with hope, further our dedication to service, and inspire us to continue working for a Kentucky that reflects the best of who we are. Let us be grateful for the opportunities before us and embrace the journey that has brought us here. Happy Easter, and may God bless you and the Commonwealth of Kentucky.

State Representative Tim Truett

Kentucky's LIHEAP Spring Subsidy Cooling enrollment at Community Action Agencies

One-time Cooling Assistance available April 15- May 30 in all 120 Counties

Kentucky households may qualify for a one-time electric benefit through the Low-Income Home Energy Assistance Program (LIHEAP) Spring Subsidy Cooling Component. Applications will be accepted from April 15 to May 30, 2025, on a first-come, first-served basis. Spring Subsidy is designed to help households with income up to 150 percent of the Federal Poverty Guidelines offset their cooling costs. It provides a one-time electric benefit, which is paid directly to the household’s electric vendor.

Interested applicants should contact their local Community Action Agency office to apply. Kentucky’s Community Action Network collectively operates outreach offices in all 120 Kentucky counties. Call 800-456-3452 or visit www.capky.org/network to find the nearest office.

All applicants will be required to supply the following documentation at the time of application:

- Proof of Social Security Number or Permanent Residence card (Green Card) for each member of the household.
- Proof of all household’s (all members) income from the preceding month.
- Most current electric bill, statement from your landlord if electric is included in your rent, statement from utility company if you participate in a Pre-Pay Electric Program.
- The account number and name on the account for main heating fuel sources and electric bill.

Spring Subsidy does not require a disconnect notice, a past due bill, or eviction notice. The Subsidy benefit can

be applied as a credit on your account. Assistance received during previous LIHEAP components does not affect household’s eligibility.

Community Action Kentucky administers LIHEAP in partnership with the Kentucky Cabinet for Health and Family Services who receive the funding as a pass-through block grant from the U.S. Department of Health and Human Services. For more information about LIHEAP, including contact information for all local Community Action agencies, please visit the Community Action Kentucky website at www.CAPKY.org.

About Community Action Kentucky
Community Action Kentucky is the statewide association representing and assisting the 23 Community Action agencies across Kentucky that work to empower individuals and families to attain greater economic stability and long-term success. With a presence in all 120 Kentucky counties, Community Action agencies provide life-changing resources and programs to support a wide array of service areas, including food security, transportation, home energy, early childhood education, senior support, emergency services, housing assistance, workforce development, youth enrichment and more. As a statewide voice for local agencies, Community Action Kentucky works to address policy issues that impact low-income individuals and cultivates broad-reaching partnerships that improve the lives of thousands of Kentuckians, making it possible for them to achieve their goals. For more information about Community Action Kentucky, visit www.CAPKY.org.
