FLEEING OR EVADING

• Ronna L. Carmicle, 51, of Liberty, was arrested Feb. 24 for operating on a suspended or revoked operators license, failure of owner to maintain required insurance, and fleeing or evading police in the third degree. She was also wanted on a Casey County complaint warrant for theft of mail matter. According to a citation written by Casey County Sheriff's Deputy Jacob Atwood, at around 8:45 p.m. he received a call for a welfare check. Carmicle had been talking to her vehicle's On Star satellite service and they stated she was talking out of her head. On Star advised she was at a fast food restaurant nearby, so Atwood responded there and was not able to locate her. On Star then said she was calling him from W KY 70. After arriving there, police saw a vehicle matching Carmicle's description. It began to reverse up the driveway, so police initiated their emergency equipment.

Carmicle got out and ran toward the residence, Atwood ordered her to stop running. She then ran inside. Shortly after that she and another woman exited the house. Atwood advised Carmicle of her Miranda Warning. She said that she had seen Sheriff Chad Weddle at the fast food restaurant earlier and wanted to know why he didn't stop her when they saw each other. Atwood asked for her insurance card. She said it was in her vehicle. He asked to get it and she did not want him to look for it. Atwood then placed her under arrest and

transported her to the Casey County Detention Center. According to the complaint warrant for theft of mail matter, on Feb. 21 through Feb. 22, Carmicle took another person's mail from a mailbox on Woodrum Ridge Road.

Lake's full

By Charlie VanLeuven/cvanleuven@caseynews.net
A measuring stick was below water on March 1 as Lake Liberty is completely full. A wet January and February have contributed to a plentiful water supply this year, as opposed to last year when the City of Liberty announced a near critical level. The water level was at least 13 feet lower than it is today. A funding bill, which includes a \$9 million construction of a companion lake, is advancing through the Kentucky Legislature.
