Caneyville opens bids for sidewalk railing

BY MATT LASLEY
GRAYSON COUNTY NEWS

The Caneyville City Commission, during its regular meeting Monday night, opened bids for the installation of hand rails on the Hwy 185 sidewalk. The bids received for the installation of 340 feet of railing (between 34 to 38 inches in height) were for \$19,000 from Woosley’s Welding and \$23,450 from Southern

Builders of Kentucky. After discussion, the commission took no action regarding the bids. In other business, the city commission:

- Voted to reimburse \$20 of the \$60 sign-up fee for players in Caneyville’s youth baseball and t-ball programs to be used for uniforms. The first game of this year’s youth baseball season will be held on March 31.

- Discussed drafting a contract for businesses/vendors who rent rooms in the Purple Flash Community Center; however, the commissioners agreed to collect quotes for running water and sewer into the portion of the building with the rooms that would be rented out first.
- Was informed that this year’s city Easter egg hunt will be held on Saturday, April 12 at 12 p.m.

The Caneyville City Commission met in regular session on Monday.

BOWLS

FROM **PAGE A1**

“The Alliance has been focused on combating the issue of hunger for 25 years and has seen tremendous success in improving the access to food for lower income families while engaging the community through thousands of hours of volunteer service.” Empty Bowls is a community driven event, with local restaurants and vendors donating soup, bread, and des-

serts, officials said. “The entire evening is sponsored through the generosity of local businesses, groups, churches, and individuals that want to make a positive impact locally,” Childress said. “It is a beautiful picture of the generosity and kindness of our community as we come together to eat and fellowship all to benefit our friends and neighbors in need.” One of the highlights at Empty Bowls each year is the one-of-a-kind Larry Elmore-designed dragon bowl. Elmore is internationally known and has

been creating fantasy and science fiction art for over 40 years. “GCA is so blessed to have Larry use his amazing talents to benefit the food pantry,” said Childress. “This will be the eighth dragon themed bowl that Larry has donated.” Individuals interested in bidding will need to follow the Silent Auction on GCA’s Facebook page. Bidding on Elmore’s bowl opens with a special post on Feb. 17 at 7 a.m. and closes at 7 p.m. The highest bid wins, no bids after closing will be con-

sidered, and the winner will be announced on the same post. “Empty Bowls is a simple and creative way to focus attention on hunger in Grayson County,” Childress said. “Each bowl selected will be that visual reminder that it takes all of us to fill the bowls and fight hunger in our community all year long.” GCA, a 501©3 non-profit, serves an average of 750 families a month.
