FUEL BID

The Grayson County Board of Education will accept bids for low sulfur biodiesel until 2:00 p.m. on May 28, 2025. The bid should reflect the price on Tuesday, May 20, 2025. Please include your fuel cost sheet as of that date. We are asking for a bid for the period from July 1, 2025 through June 30, 2026 with an escalation clause reserving the right to negotiate with another bidder in case of a price raise. The bidder shall winterize the diesel fuel from October 1 through April 15, or upon the request of the Director of Transportation. The bid price shall show cost to Board for winterizing.

Diesel fuel is to be delivered to Maintenance Garage, Grayson County High School, Clarkson and Caneyville.

To be a successful bidder the bidder must demonstrate, to the satisfaction of the Grayson County Board of Education, that the bidder can keep the storage tanks 50% full at all times.

Fuel specifications and bid forms will be furnished upon request at the Superintendent's office, 790 Shaw Station Road, Leitchfield, Kentucky 42754.

The successful bidder shall, before unloading, contact an authorized person at that location to supervise the unloading and sign the delivery ticket.

The Board reserves the right to reject any or all bids.

Braxton Allen
Director of Transportation
Grayson County Schools

LEGAL NOTICE

INSPECTION PERIOD
FOR THE PROPERTY TAX ASSESSMENT ROLL

The Grayson County real property tax roll will be opened for inspection from May 5 through May 19, 2025. Under the supervision of the property valuation administrator (PVA) or one of the deputies, any person may inspect the tax roll.

This is the January 1, 2025, assessment on which state, county, and school taxes for 2025 will be due.

The tax roll is in the office of the property valuation administrator in the county courthouse and may be inspected between the hours 8:00 A.M. and 4:00 P.M.

Any taxpayer desiring to appeal an assessment on real property made by the PVA must first request a conference with the PVA or a designated deputy. The conference may be held prior to or during the inspection period. Grayson County will continue to offer taxpayer conferences remotely. Conferences may be held by telephone; or you may exchange correspondence requesting a conference with the PVA via email or fax. Additionally, our office will be open for in-person conferences as well. Written documentation supporting your opinion of value will continue to be required. However, you will be instructed on the best method of submitting your documentation after contacting our office regarding your request to have a conference.

Any taxpayer still aggrieved by an assessment on real property, after the conference with the PVA or designated deputy, may appeal to the county board of assessment appeals.

The appeal must be filed with the county clerk's office no later than one workday following the conclusion of the inspection period. Please contact the county clerk's office to receive instructions on the method the office is using to accept appeals this year and to obtain a form that can be used to file your appeal.

Any taxpayer failing to appeal to the county board of assessment appeals, or failing to appear before the board, either in person or by designated representative, will not be eligible to appeal directly to the Kentucky Board of Tax Appeals.

Appeals of personal property assessments shall not be made to the county board of assessment appeals. Personal property taxpayers shall be served notice under the provisions of KRS 132.450(4) and shall have the protest and appeal rights granted under the provisions of KRS 131.110.

The following steps should be taken when a taxpayer does not agree with the assessed value of personal property as determined by the property valuation administrator.

(1) Taxpayer must list under protest (for certification) what he believes to be the fair cash value of his property.

(2) Taxpayer must file a written protest directly with the Department of Revenue, Office of Property Valuation within 30 days of the date of the notice of assessment.

(3) This protest must be in accordance with KRS 131.110.

(4) The final decision of the Department of Revenue may be appealed to the Kentucky Board of Tax Appeals.

NOTICE TO CUSTOMERS OF KENTUCKY UTILITIES COMPANY

RECOVERY BY ENVIRONMENTAL SURCHARGE OF KENTUCKY UTILITIES COMPANY'S 2025 ENVIRONMENTAL COMPLIANCE PLAN

PLEASE TAKE NOTICE that in an April 30, 2025 Application, Kentucky Utilities Company ("KU") is seeking approval by the Kentucky Public Service Commission ("Commission") in Case No. 2025-00105, pursuant to Kentucky Revised Statute 278.183, of an amended compliance plan ("2025 Plan"). (Collectively, KU's Application and supporting testimony and exhibits are KU's "tariff filing.") If approved, KU will begin recovering capital costs associated with a new pollution control facility in the 2025 Plan under KU's existing Electric Rate Schedule ECR (also known as the Environmental Surcharge tariff) through an increase in the environmental surcharge on customers' bills beginning in December 2025.

KU filed an application with the Commission on February 28, 2025, in Case No. 2025-00045 seeking approval to construct a selective catalytic reduction system at the Ghent generating station to reduce nitrogen oxide (NOx) emissions, which are a precursor to ozone. In Case No. 2025-00105, KU is seeking an order approving the 2025 Plan to recover the costs of this new pollution control facility through its Environmental Surcharge tariff. This project will help ensure ongoing compliance with regulations issued under the federal Clean Air Act as amended, including the National Ambient Air Quality Standards for ozone.

The estimated total capital cost of this new pollution control facility is \$152.3 million. Additionally, KU is requesting recovery of future incremental capital and operation and maintenance expenses associated with this new pollution control facility. KU is also asking to recover the cost of publishing this customer notice through the Environmental Surcharge over 12 months and to have Environmental Surcharge recovery of future Commission-approved administrative expenses, including customer notice costs.

Beginning in December 2025, the initial bill impact for KU's Group 1 customers is estimated to be a 0.01% increase with a maximum increase of 0.81% in 2029. Group 1 includes Rate Schedules Residential Service (RS), Residential Time-of-Day Energy Service (RTODE), Residential Time-of-Day Demand Service (RTODD), Volunteer Fire Department Service (VFD), All Electric School (AES), and all Lighting Rates (i.e., LS, RLS, LE, and TE).

RS and VFD customers using 1,085 kWh/month could expect a monthly increase of \$0.01 up to \$1.09. RTODE customers using 1,043 kWh/month could expect a monthly increase of \$0.01 up to \$1.14. RTODD customers using 987 kWh/month could expect a monthly increase of \$0.02 up to \$1.80. AES customers using 25,620 kWh/month could expect a monthly increase of \$0.30 up to \$24.28. LS and RLS customers could expect a monthly increase of \$0.00 up to \$0.12. LE customers using 2,473 kWh/month could expect a monthly increase of \$0.02 up to \$1.59. TE customers using 147 kWh/month could expect a monthly increase of \$0.00 up to \$0.15.

Beginning in December 2025, the initial bill impact for KU's Group 2 customers is estimated to be a 0.01% increase with a maximum increase of 1.10% in 2029. Group 2 includes Rate Schedules General Service (GS), General Time-of-Day Energy Service (GTODE), General Time-of-Day Demand Service (GTODD), Power Service (PS), Time-of-Day Secondary Service (TODS), Time-of-Day Primary Service (TODP), Retail Transmission Service (RTS), Fluctuating Load Service (FLS), and Outdoor Sports Lighting Service (OSL).

GS customers using 1,657 kWh/month could expect a monthly increase of \$0.03 up to \$2.41. GTODD customers using 19,652 kWh/month could expect a monthly increase of \$0.31 up to \$25.26. PS-Secondary customers using 30,434 kWh/month could expect a monthly increase of \$0.39 up to \$32.35. PS-Primary customers using 35,028 kWh/month could expect a monthly increase of \$0.45 up to \$36.82. TODS customers using 189,538 kWh/month could expect a monthly increase of \$1.54 up to \$126.82. TODP customers using 1,242,574 kWh/month could expect a monthly increase of \$8.25 up to \$678.42. RTS customers using 7,387,224 kWh/month could expect a monthly increase of \$38.91 up to \$3,199.31. FLS-Transmission customers using 44,229,667 kWh/month could expect a monthly increase of \$237.46 up to \$19,525.53. OSL-Secondary customers using 4,627 kWh/month could expect a monthly increase of \$0.17 up to \$13.87.

The Application described in this Notice is proposed by KU, but the Commission may issue an order resulting in an environmental surcharge for customers other than the environmental surcharge described in this Notice.

Comments regarding KU's 2025 Plan and Application may be submitted to the Commission through its website or by mail to the Public Service Commission, Post Office Box 615, Frankfort, Kentucky 40602.

Any person may submit a timely written request for intervention to the Public Service Commission, Post Office Box 615, Frankfort, Kentucky 40602, establishing the grounds for the request including the status and interest of the party. If the Commission does not receive a written request for intervention within thirty (30) days of the initial publication of this Notice, the Commission may take final action on the Application.

Any person may examine KU's tariff filing at the Commission's offices located at 211 Sower Boulevard, Frankfort, Kentucky, Monday through Friday, 8:00 a.m. to 4:30 p.m., or through the Commission's website at <http://psc.ky.gov> or KU's website (<http://www.lge-ku.com>) after KU makes its tariff filing on April 30, 2025. KU has requested a deviation from the requirement to make the tariff filing available at its office at One Quality Street, Lexington, Kentucky 40507. If the Commission denies that request, KU will make the tariff filing available at its office upon request by any person.
