# • FALSE Continued from page three

the Bible is and that is why he strongly promotes Bible study. He used my lack of knowledge of the Bible to show me why it is important to know it.

The Lord Jesus Christ warned us about false prophets and teachers and told us that they would come.

Mathew 24: 24-26, For there shall arise false Christs, and false prophets, and shall shew great signs and wonders; insomuch that, if it were possible, they shall deceive the very elect. Behold, I have told you before. Wherefore if they shall say unto you, Behold, he is in the desert; go not forth: behold, he is in the secret chambers; believe it not. The Bible is the most neglected book many people own. It is rarely opened outside of the church service and never discussed outside of there either.

How would you feel if you wrote a letter to a loved one who never read it? Would you believe they didn't care for you?

If that loved one wrote you a warning about something that could harm you and eventually lead you into danger, but you never read it, who would be at fault?

We must spend time in Bible study and prayer to recognize the false doctrines and false teachers of today.
