Busch, LaJoie new NASCAR Hall of Fame hopefuls

Field Level Media

Kurt Busch and Randy LaJoie, already voted two of NASCAR's 75 Greatest Drivers, are on the ballot for the first time to enter

the racing series' hall of fame, with nominees announced Monday.

The candidates for the class of 2026 include 10 on the modern era ballot: Busch, LaJoie, Greg Biffle, Neil Bonnett, Tim Brewer,

Jeff Burton, Randy Dorton, Harry Gant, Harry Hyde and Jack Sprague.

Busch, 46, won the NASCAR Cup Series championship in 2004, the first year the circuit went to a 10-race playoff

format when it was called the Chase. The Las Vegas native won 34 times in 776 starts in his 23-year Cup Series career, including the Daytona 500 in 2017. He also captured 28 poles and won multiple races in Xfinity and Truck Series competition.

LaJoie, 63, scored two championships in what is now called the Xfinity Series in 1996 and 1997 and registered 15 wins and

nine poles over a 350-start career. LaJoie, the champion of the former Busch North Series in 1985, was also an innovator in the world of motorsports safe-

ty through his long-running racing-seat company.

Busch and LaJoie were voted to the greatest drivers list in 2023.

NOTICE OF FINDING OF NO SIGNIFICANT IMPACT AND NOTICE OF INTENT TO REQUEST RELEASE OF FUNDS

04/23/2025

Linda Gorton, Mayor Lexington-Fayette Urban County Government 200 E. Main Street Lexington, KY 40507 (859)258-3100

These notices shall satisfy two separate but related procedural requirements for activities to be undertaken by the Lexington Fayette Urban County Government.

REQUEST FOR RELEASE OF FUNDS

On or about May 9, 2025, the Lexington-Fayette Urban County Government (LFUCG) will submit a request to the U.S. Department of Housing and Urban Development (HUD) for the release of CDBG funds to undertake the following project:

Family Care Center, 1135 Harry Sykes Way, Lexington, KY 40504 – Using CDBG funds allocated by HUD. The Family Care Center proposes to refurbish the existing playground area at the Family Care Center. The existing equipment has aged and, in some cases, poses a safety hazard. Equipment will be replaced and/or relocated, and a new rubber (PIP) surface will be installed.

Total estimated project cost: \$292,687.00. Approximately \$227,760.51.00 is from CDBG Grants.

FINDING OF NO SIGNIFICANT IMPACT

The LFUCG has determined that the project will have no significant impact on the human environment. Therefore, an Environmental Impact Statement under the National Environmental Policy Act of 1969 (NEPA) is not required. Additional project information is contained in the Environmental Review Record (ERR) on file at LFUCG Division of Grants and Special Programs, 6th Floor, 200 E. Main Street, Lexington, KY 40507 or via email to grants@lexingtonky.gov and may be examined or copied weekdays 8 A.M to 5 P.M.

PUBLIC COMMENTS

Any individual, group, or agency may submit written comments on the ERR to the LFUCG Division of Grants and Special Programs at 200 East Main Street, 6th Floor, Lexington, KY 40507 or submitted to grants@lexingtonky.gov. All comments received by May 9 2025, will be considered by the LFUCG prior to authorizing submission of a request for release of funds. Comments should specify which Notice they are addressing.

ENVIRONMENTAL CERTIFICATION

The LFUCG certifies to HUD, Kentucky Office that Linda Gorton in her capacity as Mayor consents to accept the jurisdiction of the Federal Courts if an action is brought to enforce responsibilities in relation to the environmental review process and that those responsibilities have been satisfied. The HUD, Kentucky Office approval of the certification satisfies its responsibilities under NEPA and related laws and authorities and allows the Lexington Housing Authority to use Program funds.

OBJECTIONS TO RELEASE OF FUNDS

HUD, Kentucky Office will accept objections to its release of fund and the LFUCG's certification for a period of fifteen days following the anticipated submission date or its actual receipt of the request (whichever is later) only if they are on one of the following bases: (a) the certification was not executed by the Certifying Officer of the LFUCG; (b) the LFUCG has omitted a step or failed to make a decision or finding required by HUD regulations at 24 CFR part 58; (c) the grant recipient or other participants in the development process have committed funds, incurred costs or undertaken activities not authorized by 24 CFR Part 58 before approval of a release of funds by HUD, Kentucky Office; or (d) another Federal agency acting pursuant to 40 CFR Part 1504 has submitted a written finding that the project is unsatisfactory from the standpoint of environmental quality. Objections must be prepared and submitted in accordance with the required procedures (24 CFR Part 58, Sec. 58.76) and shall be addressed to the HUD, Kentucky Office at LouisvilleRFOF@hud.gov. Potential objectors should contact HUD to verify the actual last day of the objection period.
