

# TAXPAYER NOTICE:

**Beverly G. Craft, Clay County Clerk pursuant to KRS 424.130, announces that the 2024 Delinquent Real Property Tax Bills (Certificates of Delinquency) will be published in The Manchester Enterprise on Wednesday, August 13<sup>th</sup>, 2025. The list of Certificates of Delinquency is also available for public inspection during the hours of 8:00am - 4:30pm Mon-Fri at the County Clerk's office located at 102 Richmond Rd, Ste 101, Manchester, KY 40962. This list may also be inspected on the Clay County Clerk website. The Uniform Resource Locator (URL) of the website is www.Clay.Clerkinfo.net. The tax sale will be held on September 17<sup>th</sup>, 2025, beginning at 9:00am. All interested participants must register with the County Clerk's office by the close of business on September 5, 2024. Please contact the County Clerk's office if you need additional information about the tax sale registration process, the required registration fee, or the deposit amounts that will be needed. Taxpayers can continue to pay on their delinquent tax bills to the County Clerk's office any time prior to the tax sale. Please note: All payments must be received in the County Clerk's office prior to the tax sale date listed in this advertisement. Payments received after the tax sale has been conducted will be returned without exception. Some delinquencies, although they have been advertised, will be excluded from the tax sale in accordance with the provisions of KRS 134.504(10) (b). If you have any questions, please do not hesitate to contact the County Clerk's office at (606) 598-2544.**

## DARA ENERGY

DARA ENERGY, LLC is an Oil and Gas company that promotes a culture of integrity, teamwork, and dedication, improved quality of life for our employees, and our communities that we serve, with the highest regard for safety and the environment.

It fuels our cars, heats our homes, and cooks our food. It is the lifeblood of world trade and economics, and everyday our dependence on this precious commodity grows. It is estimated that we use approximately four times the amount of energy our great grandparents used.

Never before has the world's growing population demanded more from Earth's natural resources, and never before has there been such a demand for reliable, clean, and efficient energy. DARA ENERGY, LLC is rising to meet this demand.

Based in Lexington, Kentucky, DARA ENERGY, LLC is one of the largest independent producers of oil and natural gas in Kentucky.

DARA ENERGY, LLC has always set itself apart from other energy productions companies through its aggressive planning and strategic growth. DARA ENERGY, LLC is interested in the long term growth of the company and the longevity of it. That's why DARA continues to invest back into that.

"Short term means nothing to us, because in the business, there is no such thing as 'short term.' The life of the wells is at least forty years, so how can you not be in for the long haul?"

**BEFORE YOU DIG**

**1-888-551-6402**

**OR**

**STATE ONE-CALL**

**811**

**Know what's below. <sup>TM</sup>  
Call before you dig.**

**Q: WHAT IS 811?**

**A:** 811 is the national, federally-mandated N-11 number designated by the FCC to consolidate all local "Call Before You Dig" numbers and help save lives by minimizing damages to underground utilities. One easy phone call to 811 connects you to Kentucky 811 to begin the process of getting underground utility lines marked. Kentucky 811 personnel will then notify affected utility companies, who will continue to mark underground lines for free.

**Q: WHY SHOULD I CALL KENTUCKY 811 BEFORE EVERY DIG?**

**A:** Calling Kentucky 811 will help save lives and protect infrastructure. Knowing where underground utility lines are buried before each digging project begins helps protect you from injury, expense and penalties. The depth of utility lines varies and there may be multiple utility lines in the same area. Even simple digging projects can damage utility lines and can disrupt vital services to an entire neighborhood, harm diggers, and potentially result in expensive fines and repair costs. Marked lines show diggers the approximate location of underground lines and help prevent undesired consequences.

**Q: I'M JUST A HOMEOWNER, NOT A CONTRACTOR - IS KENTUCKY 811 FOR ME?**

**A:** Calling Kentucky 811 is for professional excavators and do-it-yourself homeowners. A recent national survey revealed that roughly half of Americans are "active diggers" who have done (or are planning to do) some type of digging project at home. Whether you are a professional excavator or an avid do-it-yourselfer, you need to call Kentucky 811 before every dig, every time.

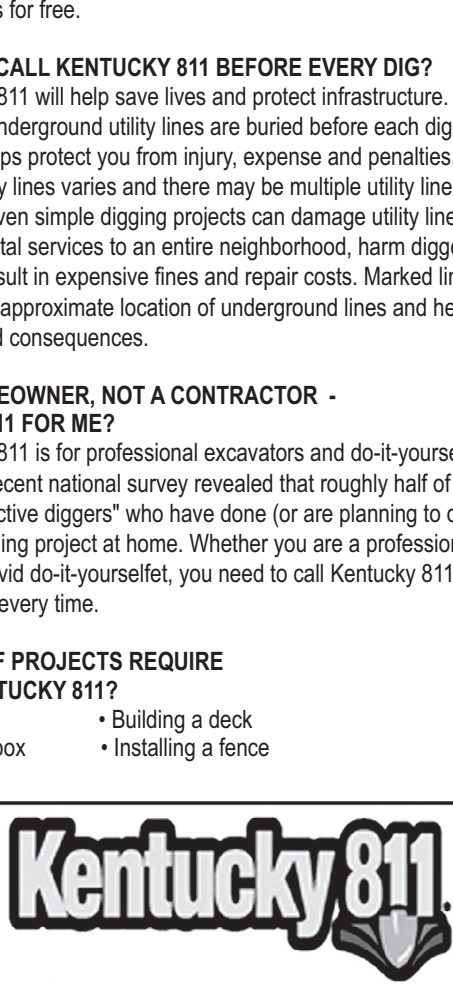

**Q: WHAT TYPES OF PROJECTS REQUIRE A CALL TO KENTUCKY 811?**

**A:**

- Planting a tree
- Installing a mailbox
- Landscaping
- Building a deck
- Installing a fence
