PUBLIC NOTICE

Child Find for Children with Disabilities in Need of Special Education or 504 Services

Child Find

The Letcher County Public School District keeps educational records in a secure location in each school and Board office.

The Letcher County Public School District obtains written consent from a parent or eligible student (age 18 or who is attending a postsecondary institution), before disclosing personally identifiable information to an entity or individual not authorized to receive it under FERPA.

For students who have been determined eligible for Special Education, educational records will be destroyed at the request of the parents when they are no longer needed to provide educational programs or services. The Letcher County Public School may destroy the educational records of a child without parent request four years after they are no longer needed to provide educational programs or services. Parents are advised that data contained in the records may later be needed for Social Security benefits or other purposes. The Letcher County Public Schools may retain, for an indefinite period of time, a record of the student's name, address, telephone number, grades, attendance records, classes attended, grade level completed, and year completed.

Children eligible for Special Education include those children with disabilities who have autism, deaf-blindness, developmental delay, emotional-behavior disability, hearing impairment, mental disability, multiple disabilities, orthopedic impairment, other health impairment, specific learning disability, speech or language impairment, traumatic brain injury, or visual impairment and who because of such an impairment need Special Education services.

Children eligible for 504 services include those children in a public elementary and secondary education program who have a current physical or mental impairment that currently substantially limits some major life activity which causes the student's ability to access the school environment or school activities to be substantially limited.

Children eligible for the State-Funded Preschool program include three- and four-year-old children identified with disabilities and four-year-old children who are at-risk, as defined by federal poverty levels up to 150%. Preschool children eligible for special education must have an Individual Education Plan (IEP) instead of a 504 plan to receive State-Funded Preschool program services.

The Letcher County Public School District has an ongoing "Child Find" system, which is designed to locate, identify, and evaluate any child residing in a home, facility, or residence within its geographical boundaries, age three (3) to twenty-one (21) years, who may have a disability and be in need of Special Education or 504 services. This includes children who are not in school; those who are in public, private, or home school; those who are highly mobile such as children who are migrant or homeless; and those who are advancing from grade to grade, who may need but are not receiving Special Education or 504 services.

The district's "Child Find" system includes children with disabilities attending private or home schools within the school district boundaries who may need special education services.

The Letcher County Public School District will make sure any child enrolled in its district who qualifies for Special Education or 504 services, regardless of how severe the disability, is provided appropriate Special Education or 504 services at no cost to the parents of the child.

Parents, relatives, public and private agency employees, and concerned citizens are urged to help the Letcher County Public School District find any child who may have a disability and need Special Education or 504 services. The District needs to know the name and age, or date of birth of the child; the name, address, and phone number(s) of the parents or guardian; the possible disability; and other information to determine if Special Education or 504 services are needed.

Letters and phone calls are some of the ways the Letcher County Public School District collects the information needed. The information the school District collects will be used to contact the parents of the child and find out if the child needs to be evaluated or referred for Special Education or 504 services.

If you know of a child who lives within the boundaries of the Letcher County Public School District, who may have a disability, and may need but is not receiving Special Education or 504 services, please call 606-633-4455 or send the information to:

Regina Brown
Director of Special Education
Section 504 Coordinator
Letcher County Public Schools
244 Parks Street
Whitesburg, KY
Ph. 606-633-4455

If you know of a child who attends a private or home school within the boundaries of Letcher County Public School District, who may have a disability, and may need but is not receiving Special Education services, please call 606-633-4455 or send the information to:

Director of Special Education
Letcher County Public Schools
244 Parks Street
Whitesburg, KY
Ph. 606-633-4455

"Child Find" activities will continue throughout the school year. As part of these efforts The Letcher County Public Schools will use screening information, student records, and basic assessment information it collects on all children in the District to help locate those children who have a disability and need Special Education or 504 services. Any information the District collects through "Child Find" is maintained confidentially.

Written Policies and Procedures have been developed which describe the District's requirements regarding the confidentiality of personally identifiable information and "Child Find" activities. There are copies in the Principal's office of each school, and in the Board of Education office. Copies of these Policies and Procedures may be obtained by contacting:

Karen Baker
Director of Pupil Personnel
244 Parks Street
Whitesburg, KY
Ph. 606-633-4455

The District office is open Monday through Friday, from 8 a.m. to 4:30 p.m.

The Letcher County School District provides a public notice in the native language or other mode of communication of the various populations in the geographical boundaries of the District to the extent feasible.

If you know of someone who may need this notice translated to another language, given orally, or delivered in some other manner or mode of communication, please contact the Director of Pupil Personnel, the Director of Special Education or the Section 504 Coordinator at the address or phone number listed above for The Letcher County Schools.

PUBLIC NOTICE OF BLASTING SCHEDULE

Nally & Hamilton Enterprises, Inc., P.O. Box 157; Bardstown, Kentucky 40004, Phone: (502) 348-0084, shall conduct blasting on its 504.18 acre permit 867-0556 located in Letcher County. Said operation is located approximately 0.9 miles north from KY 463's junction with Defeated Creek Road and located 2.2 miles northwest of Gordon, Kentucky. Latitude 37° 01' 22"; Longitude 83° 02' 05".

The blasting site is defined as the areas of coal removal and will not include coal haul roads, areas where mining has been completed by pre-law mining and reclaimed areas.

Blasting will be conducted each day, Monday through Saturday between the hours of sunrise and sunset. This schedule will be in effect after issuance of the permit and will continue until termination of construction of the mine site. Any major alterations of this blasting schedule will be published. Unscheduled blasting may occur in emergency situations where rain, lightning, or other atmospheric conditions or the safety of the operator or public requires unscheduled detonation. Prior to any unscheduled blasting the appropriate blast warning signal as discussed below will be given as notification of said unscheduled blasting.

Control of the blasting area will be maintained by blocking all roads a minimum of 1,000 feet from the blast area. Portions of highway 463 and Defeated Creek Road are within the 1000' distance and will be temporarily blocked to allow blasting. A flagmen will be posted at each point blocked. Post detonation access to the blasting area will be allowed only after inspection and determination that no hazards exist and the All Clear Signals have sounded.

A pre-detonation warning consisting of:

Blast Warning Signal — Shall consist of a one (1) minute series of three (3) long blasts from a siren five (5) minutes prior to the blast signal.
Blast Signal — Shall consist of three (3) short blasts from a siren, one (1) minute prior to the blast.
All Clear Signal — Shall consist of a prolonged blast
