FLORIDA DERBY 1 1/8TH MI, \$1 MILLION — GRADE 1 GULFSTREAM PARK

The embarrassment of riches that is the barn of trainer Brad Cox got even more obscene Saturday as another son of the scalding hot sire, Into Mischief, took the Florida Derby and it’s 100 points. Ridden confidently by jockey Luis Saez, Tappan Street broke beautifully and settled in a nice stalking spot 4th. After a very good second in the Holy Bull, Cox decided to skip the Fountain of Youth to prep Tappan Street for the Florida Derby. In what looked to be a 2-horse race with Fountain of Youth winner, Sovereignty, the race certainly was true to form. Sovereignty, another son of Into Mischief and the race favorite, with pinch hitting jockey Manny Franco, was a little closer to the pace than regular rider Junior Alvarado typically had him. Franco was awarded the mount after an injury to Alvarado that will sideline him a few weeks. The tepid pace was set by yet another Baffert speedball, Madaket Road and Hall of Fame rider Mike Smith. Neoequos (Edgard Zayas) was putting the heat on and

Madaket Road got no chance for a breather on the front end, and both were out of gas at the head of the stretch. Tappan Street took advantage of the perfect

ride by Saez and got the jump on Sovereignty. Just like his race in the Fountain of Youth, Sovereignty took aim at the leader but this time,

Tappan Street was too good and hit the wire 1 ¼ lengths on top in 1:49.27 for the 1 1/8th miles. Tappan Street earned a 94 Beyer. With his versatile running style, Tappan Street will show up in Louisville as a major player on the first Saturday in May. Sovereignty lost nothing in defeat as he had already grabbed a starting

gate for the Derby with 110 points (4th). With Cox winning one of last week’s major preps with Final Gambit in the Jeff Ruby Steaks, and his Flood Zone, who won the Gotham and will be in the UAE Derby this Saturday, he will bring a loaded armada to Churchill Downs that now includes Tappan Steet. It’s good to be Brad Cox.

FINAL DERBY PREPS: 4/5 — WOOD MEMORIAL (AQUEDUCT) — SANTA ANITA DERBY (SANTA ANITA PARK) BLUEGRASS STAKES (KEENELAND)- UAE DERBY FROM MEYDAN RACECOURSE IN

PUBLIC MEETING
Oldham County
for
KY 53 Improvements
Item # 5-8852

Tuesday, April 22, 2025
5:30 – 7:30 p.m.
BALLARDSVILLE BAPTIST CHURCH

The Kentucky Transportation Cabinet (KYTC) will host a second public meeting on April 22, 2025, to present additional preliminary designs for the KY 53 highway improvement project in Oldham County. These new alternatives were developed based on feedback from the March 2024 public meeting. During the upcoming meeting, KYTC will seek further public input on the preliminary designs.

The meeting will be an **open-house event** (no formal presentation) held from 5:30 to 7:30 p.m. at Ballardsville Baptist Church – 4300 S. Hwy 53 Crestwood, KY 40014. Those who are interested may drop in at any time to review the previously selected design as well as recently developed alternatives, receive handouts containing project information, and fill out comment sheets. Representatives from KYTC and the engineering design consultant will be in attendance to answer questions. Note: there will not be a formal presentation.

The project's purpose is to enhance safety and improve accessibility along KY 53 from KY 22 (Ballardsville Road) to Zhale Smith Road near Interstate 71. In March 2024, KYTC presented the previously selected alternative, which included roadway widening with curve adjustments north of Blakemore Lane and a proposed new route between Blakemore Lane and KY 1315 to the south. Since the last public meeting, 2 additional alternatives have been developed based on resident input.

The Tuesday, April 22 public meeting will review these options, which are still being considered as engineers evaluate their benefits, costs, and impacts, as well as the existing conditions, environmental constraints and community perspectives.

An online survey will be available during and remain active for 30 days after the public meeting. Over the next year, the final design phase is anticipated to begin after the public feedback is considered.

All written comments will become part of the official meeting record. Once compiled, the meeting record and supporting documentation will be made available for review and copying only after an Open Records Request has been received and approved. All Open Records Requests must be submitted to the Transportation Cabinet, Office of Legal Services, Transportation Office Building (200 Metro St, Frankfort, KY 40622), or via kytc.openrecords@ky.gov.

In accordance with the Americans with Disabilities Act (ADA), if anyone has a disability and requires accommodations, please notify KYTC no later than Friday, April 18. Please call (502) 764-0481, or mail your request to the KYTC District 5 Office, 8310 Westport Road, Louisville, Ky., 40242.
