Beattyville Christian Church as well as a volunteer at the Lee County Public Library.

She loves her family, her friends, reading, old cemeteries, anything Irish, music, ancestry and talking to people. Life is an adventure for her.

Currently her greatest pleasure is playing with the kids across the street...Kendal and Ryder Williams. Never has "Mother May I" and "1 2 3 Redlight" been so much fun!!!

Never in her wildest imagination did she expect to be "Citizen of the Year", but she is honored and grateful to the Woolly Worm Committee for choosing her.

This years entry into the Lee County Woolly Worm Festival "Hall of Fame" will be Patricia Anne "Patsy" Fike. Ms. Fike passed away on October 9, 2025 leaving behind two children, Greg and Phillip (Jana) Durbin, grandchildren, Gram and Maggie Durbin. Patsy was

known for her work inthe community but her biggest accomplishment was her ability to catch woolly worms. Each year Patsy and her best friend Joyce Begley woulspend days hunting for the little brown and black creatures to make sure the festival had enough to race and provide kids worms for racing. She also worked the admission desk at the Woolly Worm Festival pageant. She will be missed by the Woolly Worm Committee and we are proud

to add her name to our Woolly Worm Festival Hall of Fame. Ms. Fike's family will be presented a plaque in her memory at opening ceremonies Friday night at 6 p.m. at the Main Stage.

Ms. Booth will also be honored along with the festival's Volunteer of the Year and the Above and Beyond winners.

Join us Friday night for Opening Ceremonies followed by the Appalachian Troubadours.
