Social Security Adm. Talks Scams

Rebecca Rose, Senior Public Affairs Specialist in SSA's Office of Inspector General's Division of Communications, joined episode 5 of SSA Talks to discuss Social Security scams and how to recognize them. Recognizing the signs of a scam gives you the power to ignore criminals and report the scam.

In this episode Rebecca discusses the 4 basic signs of a scam. She reveals that scammers will usually:

- Pretend to be from an agency or organization you know to gain your trust.
- Claim that there is a problem or that they have a prize.
- Pressure you to act immediately.
- Tell you to pay in a specific way such as gift cards.

The episode also includes testimony from scam survivor, Kate Kleinert. She's a widow who shares her story of losing \$39,000 to a romance scam and offers advice on recognizing and reporting scams.
