Household Hints

• Use ventilation fans only as needed. In just one hour, all the heated air in your home can be drawn out through an exhaust vent.

• To prevent heat loss in your house, keep the fireplace damper closed when not in use.

• Clean and freshen non-washable fabrics, such as clothing, bedspreads, curtain panels, or throw pillows, by applying a small amount of Woolite to a damp terry washcloth (to make it sudsy, but not wet) and place in the dryer on the air-dry cycle (no heat) for 10-15 minutes.

• To extract onion juice from an onion without tears, sprinkle salt on a cut onion and scrape with a spoon.

• To keep potato slices from discoloring, soak them in water to which 2 tablespoons of lemon juice has been added.
