## Nicholas County Agriscience Fair

Photos courtesy of Nicholas County FFA Facebook page

After months of research and hard work, April 3, 2025, was the moment that Nicholas County agriculture students had been waiting for!

With 55 impressive projects on display, and over 100 students competing, the students wowed the judges. These projects were the result of countless hours of dedication, research, and creativity. And on Thursday, April 3rd they had the chance to show off their hard work!
