

LETTERFROM **PAGE A3**

and collaboration with others at the local, state and national level that will drive Lawrenceburg's success and growth now and in the future!!

In closing, I want to share what Steve Votaw means to our community and my family. His most important leadership quality of all the outstanding ones he possesses is "being a public servant" with a huge heart for helping people in need. During the 40+ years that I've worked with Mr. Votaw in government and community volunteer work, I had a

front row seat watching him personally volunteer to help and serve people and clubs/groups that provide assistance to others.

During a major medical crisis that occurred years ago, when a teenage boy was fatally injured in a farming accident, Mr. Votaw left his work as a Fish & Wildlife office to rush to the side of the injured teen. When he heard the medical call on his radio, he dropped everything he was doing at that time and immediately drove to the fatal scene. Mr. Votaw then attempted so hard to lift that farm tractor off of the teenager before emergency people arrived. That's the working of the very big heart

that he has for helping others.

Votaw currently is a very active member of our local Kiwanis Club that is all about helping kids academically and learning leadership skills, while mentoring them. He has also worked with other community groups such as Shop With a Cop, SOS (Saving Our Students from drugs, alcohol & tobacco products) Youth Coalition at ACHS, E3=Empowerment Program that teaches basic life skills to young people, Prevention of Child Abuse and Neglect (a new community initia-

tive for which Councilman Votaw attended training at 2 different times), and many more activities within the community.

With all that being said, my family and friends are fully endorsing, campaigning, and voting for Steve Votaw for Mayor!

Our city is depending

on all of us to do all we can to ensure that our next Mayor is the very qualified Honorable Steve Votaw!!!!

Respectfully,
Donna Crain Drury
