

Hello Owsley County Residents!

For my third article, I would like to share some information on my experience in law enforcement. With nearly 25 years working in law enforcement, I will come into office on Day 1 with the necessary knowledge and experience to hit the ground running. This is one of the reasons I am the most qualified for the job.

- McKee Police Department (2000 – 2002), Police Officer (Graduated Basic Training at Department of Criminal Justice Training Center (DOCJT) in Richmond, 2001)
- Owsley County Sheriff's Office (2002 – 2005), Lieutenant
- Richmond Police Department (2005 – 2008), Police Training Officer
- Afghanistan (2008 – 2009 ... 13 Month Deployment); Police Mentor
- Completed crucial CRUCIBLE training in Richmond, VA for 2008 Afghan mission

- Owsley County Sheriff's Office (2009 – 2010), Deputy
- Knox County Sheriff's Office (2010 – 2019), Sergeant
- Employed Under 2 Separate Sheriffs
- Lee Adjustment Center (2020), Sergeant
- Booneville City Police (2022 – Current); Chief and School Resource Officer

I was the first Owsley County Police Officer to ever request the D.E.S.I. Meth Team to respond to the first discovered active meth lab in the county. I'm also the only police officer in Owsley County history to complete the School Resource Officer training, and I am scheduled to attend Phase II training in the coming months. I have had over 1700 hours of Criminal Justice training at the DOCJT and abroad.

I look forward to continuing to share more information with you in the coming weeks. I would like to ask each of you for your vote to elect me as your next sheriff on May 19.
