

Mini-Golf tournament to benefit Franklin-Simpson Boys & Girls Club

BY BEVERLY BRAGG
NEWS-DEMOCRAT & LEADER

The Boys & Girls Club of Franklin-Simpson will host its "Beyond the Blue Door Mini-Golf Classic" on Sept. 18, transforming its gymnasium into a temporary indoor sports arena for the highly anticipated fall fundraiser.

The official mini-golf tournament runs from 10 a.m. to 2 p.m. inside the Boys & Girls Club gymnasium at 103 South Court Street in Franklin and advanced registration is required for competing corporate and community teams.

After the official tournament on Sept. 18, the indoor course will remain open to the general public for two weekend play days on Saturday, Sept. 19, and Saturday, Sept. 26, from

10 a.m. to 2 p.m. Public admission is a suggested donation of \$5 per person, providing area families with an affordable, weather-proof weekend activity.

Presented by Sharper Image Tree & Landscaping, the unique fundraiser features a custom mini-golf course with holes designed and built by sponsors based on their local businesses, the Boys and Girls Club, and the Franklin community.

"Then, it'll all come together to form a one-of-a-kind mini-golf course that showcases our local community," said Brittany Curry, Executive Director of the Boys & Girls Club of Franklin-Simpson. "It's going to be a blast and we are so excited to bring the course to life!"

Curry said the event

showcases the heart of the community, noting that it gives participants a new way to support local youth. "It's been so fun to watch," said Curry. "Local businesses certainly aren't sitting on the sidelines. They're rolling up their sleeves, getting creative, and building something tangible that supports our kids. A few of our sponsors have even partnered with the high school and our Club kids to design and build their mini-golf holes. It's community collaboration at its best."

The Boys & Girls Club of Franklin-Simpson provides a safe, positive environment where young people can develop the skills and character needed to succeed in life.

All proceeds from the Beyond the Blue Door

Mini Golf Classic support Club programs that help the children and teens of Franklin reach their potential, including after-school programs, summer camp, STEM education, and youth development initiatives.

"Every putt supports programs that change kids' lives," said Curry, emphasizing, "this is nostalgia meets innovation, all while making a difference for our young people right here at home."

Sponsors for the mini-golf event include Sharper Image Tree & Landscape, Walnut Grove Farms, The Homeplace, Franklin EPB Fiber, The Lee Eric Drake Fund, Johnson Oil Company, Franklin Bank & Trust, Brittany Trotter Photography, Ruby Branch Farms, Clark CPA &

Advisory Group, and The Barrel Social Club.

Curry noted that while the timeline leading up to the tournament is short, the club is still actively accepting a few more event sponsors at multiple tiers. For local businesses that want to contribute without the hands-on construction commitment of building a physical hole, community sponsorship opportunities are also avail-

able. These packages offer logo recognition, targeted social media promotion, and a direct way to support area youth.
