Request for Qualifications for Engineering Services

The City of Campton is soliciting qualifications from consulting engineers for professional engineering services for the obtainment of a supplemental raw water source for the Campton Water Treatment Plant (WTP). The City of Campton seeks to locate and obtain a reliable supplemental raw water source, in order to meet increasing demands. The current source raises concern due to reliability issues and seasonal demand varying; therefore, the City will need to locate and evaluate possible new options. The City of Campton is seeking the technical assistance of a qualified Engineering consulting firm to assist them in the development, planning, design, and observation of qualified projects. Minimum requirements include previous experience in engineering on similar projects. All interested parties and firms should contact the City of Campton C/O Kentucky River ADD, 941 N. Main Street, Hazard, Kentucky 41701, (606) 436-3158, Ashley.Vanover@kradd.org attention Ashley Vanover, to obtain an information packet. Respondents should submit minimum of six (6) copies of their statement in a sealed envelope clearly marked "The City of Campton - Engineering Services – Supplemental Raw Water Source." no later than 4:00 p.m. on Monday, March 2, 2026 Submittals should be made to Ashley Vanover, CEDS Planner, Kentucky River ADD, 941 N. Main Street, Hazard, KY 41701. The City of Campton reserves the right to reject any or all proposals. Attention is particularly called to the requirements as to conditions of employment to be observed under the contract, Section 3, Segregated Facility, Section 109, Title VI, Section 504 and EO 11246. Local, minority, and female owned firms are particularly encouraged to participate. The City of Campton is an Equal Opportunity Employer.
